ABOUT MADRID

Madrid is the capital and most populous city of Spain. No city on earth is more alive than Madrid, a beguiling place whose sheer energy carries a simple message: this city really knows how to live Madrid is the capital city of Spain, located right in the centre of the Iberian Peninsula. Its geographical location grants good communications of the city with other Spanish regions. As capital of the country, it is the seat to the Spanish government institutions and the city of residence of Spanish Royal family.
