EuroSciCon

A Transformational Learning Experience

1. Curated to address the concerns of today's scientific world
2. Be inspired by some of the world's most renowned figures
3. Stimulate new ways of thinking and provoke action.
4. Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at International strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Practitioners and Educators accessing the website, Stroke 2024 is the most lucrative platform for Multinational organizations, entrepreneurs across the globe, Professors, Researchers, Academicians and Industry professionals pursuing their work in the field. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Stroke 2024 Salient Features:

In a world of information overload, we focus on the issues most relevant to today'stechnical trends enabling our patrons to Congregate with most senior executives Nurture connexions Agenda format which incorporates ample Q&A time Partake in our revamped exhibitor expo sessions Meet and listen to the relevant clients Unprecedented growth creating an unparalleled market place

How's International different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

Who'd be attending?

10th International Conference on Neurological Disorders and Stroke Leading World Multinational organizations, entrepreneurs across the globe, Professors, Research fellows, Leading Universities, Students, Directors of association and societies. Stroke 2024 conference brings together individuals who have an interest in different fields of Stroke plays host for the The Directors of Stroke and Stroke and related Programs or Associations, Heads, Deans, and Professors of Stroke and Psychiatry and related departments, Scientists and Researchers, Doctors, Stroke and Psychiatry Associations and Organizations, Laboratory members and Students working in the field of Stroke and Stroke. It is a forum to explore issues of mutual concern as well as exchange knowledge, share evidence, ideas, and generate solutions.

About hosting organization

International is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, International is a corporate member of Royal Society of Neurology, Institute of Biomedical Science (IBMS) and British Society for Neurology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Stroke
- Neuropathic Pain
- NeuroScience
- Neurotoxin
- Brain
- Alzheimer
- Amnesia
- Brain tumour
- Cognitive Disorders
- Dementia
- Epilepsy
- Headache
- Meningitis
- Metastatis
- Movement disorders
- Nervous system
- Neuroanaatomy
- Neurodegeneration
- Neuromedicines
- Neuropathy
- Neuropeptides
- Neurosciences
- Neurosurgery
- Neurotoxins
- Neurotransmitters
- Parkinson
- Rehabilitation therapy
- Neuron
- Psychosis
- Trauma
- Brain Injury
- Spinal cord injury
- Huntington Disease
- Schizophrenia

About Destination Zurich

Zurich is the largest city in Switzerland and one of its most vibrant and cosmopolitan. Located in the heart of Europe, Zurich is known for its stunning natural surroundings, a thriving economy, and a rich cultural scene. Zurich is often regarded as the financial capital of Switzerland and is a global financial center. It is home to the headquarters of many international banks, financial institutions, and multinational corporations. The city consistently ranks high in global quality of life indices. It offers excellent healthcare, education, public transportation, and safety. The pristine Lake Zurich and nearby Alps add to its natural beauty. Zurich boasts a vibrant cultural scene with numerous museums, art galleries, theaters, and music venues. The city hosts various cultural events and festivals throughout the year. While German is the official language, Zurich is a multilingual city, and English is widely spoken, making it accessible to international visitors. Zurich is home to some of Switzerland's top universities, including the University of Zurich and ETH Zurich (Swiss Federal Institute of Technology), making it a hub for education and research. Zurich's public transportation system is efficient and well-developed, including trams, buses, and trains. Zurich Airport is one of the busiest in Europe, connecting the city to the world. The city offers diverse culinary experiences, from traditional Swiss dishes to international cuisine. Swiss chocolate and cheese are must-try delights. Surrounded by picturesque landscapes, Zurich provides ample opportunities for outdoor activities such as hiking, skiing, and water sports. Zurich's historic Old Town is a charming area with narrow cobblestone streets, medieval buildings, and quaint shops. The Grossmünster and Fraumünster churches are notable landmarks. Zurich frequently hosts international conferences, events, and exhibitions, attracting professionals and visitors from around the world.
