EuroSciCon

A Transformational Learning Experience

1. Curated to address the concerns of today's scientific world
2. Be inspired by some of the world's most renowned figures
3. Stimulate new ways of thinking and provoke action.
4. Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Occupational health Specialists, Occupational Health Doctors and Pharmacologists accessing the website, Biotechnology 2021 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better. outreach of the work and profile.

Stroke-2023 Salient Features:

In a world of information overload, we focus on the issues most relevant to today'stechnical trends enabling our patrons to Congregate with most senior executives Nurture connexions Agenda format which incorporates ample Q&A time Partake in our revamped exhibitor expo sessions Meet and listen to the relevant clients Unprecedented growth creating an unparalleled market place

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

Who'd be attending?

9th International Conference on Neurological Disorders and Stroke proudly hosting for the Multi-national Organizations, Entrepreneurs across the World and also extends a warm welcome to all the professional researchers and academicians as well as business professionals to take at Congress. Prominently Occupational Health Consultants, Occupational Health Doctors, Occupational Medicine Professionals, Regulatory Professionals, Neurosurgeons, Neurologists and, Psychologists and others who stay plunged in learning and practice of the Occupational Health and Public Safety.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK or-ganization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Neurological Disorders
- Neuro Degeneration
- Stroke
- Spine & Spinal Disorders
- Stroke and its Management
- Brain Tumors & Neuro Oncology
- Multiple sclerosis
- Stroke and Mental Health
- Neuropsychology & Behavioral Sciences
- Risk Assessment and Prevention of Stroke
- Neuro Diagnosis & Imaging techniques
- Neurology and Nursing
- Neurosurgery
- Neurological disorders: Research and Treatments
- Therapeutics Approaches for Neurological Disorders
- Clinical Trails & Case Reports
- Seizure Disorders and Epilepsy

About Destination London

London is one of the world's most significant worldwide cities. It applies extensive impact upon arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism and transportation.
