STRUCTURAL BIOLOGY CONFERENCE 2018

INTERNATIONAL CONFERENCE ON

STRUCTURAL BIOLOGY

August 06-07, 2018 | Dubai, UAE

http://www.meetingsint.com/conferences/structuralbiology

Invitation

Meetings International invites all the participants from all over the world to attend "***International Conference on Structural Biology***" with the theme "Anticipating Innovations in Structural Biology", which will be held during ***August 06-07 2018*** at ***Dubai, UAE***.

Meetings International Contributes opportunities to scientists and structural biology professionals to enhance their skills and improve quality of research. We welcome you to go along with at the Structural Biology 2018, where you will make certain to have an important involvement with both your colleagues and exports from around the globe. It helps you to implement practical, proven strategies to run your research more effectively, efficiently and profitably.

Sincerely,
Operating Committee
CEO and Founder
Meetings International PTE LTD.

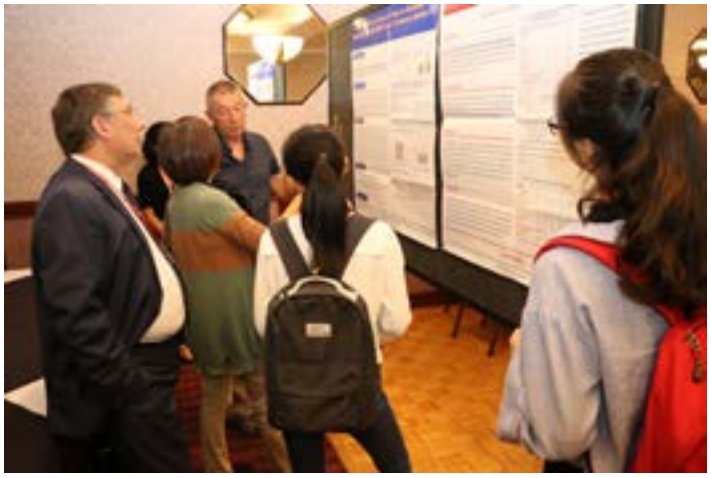

STRUCTURAL BIOLOGY CONFERENCE 2018

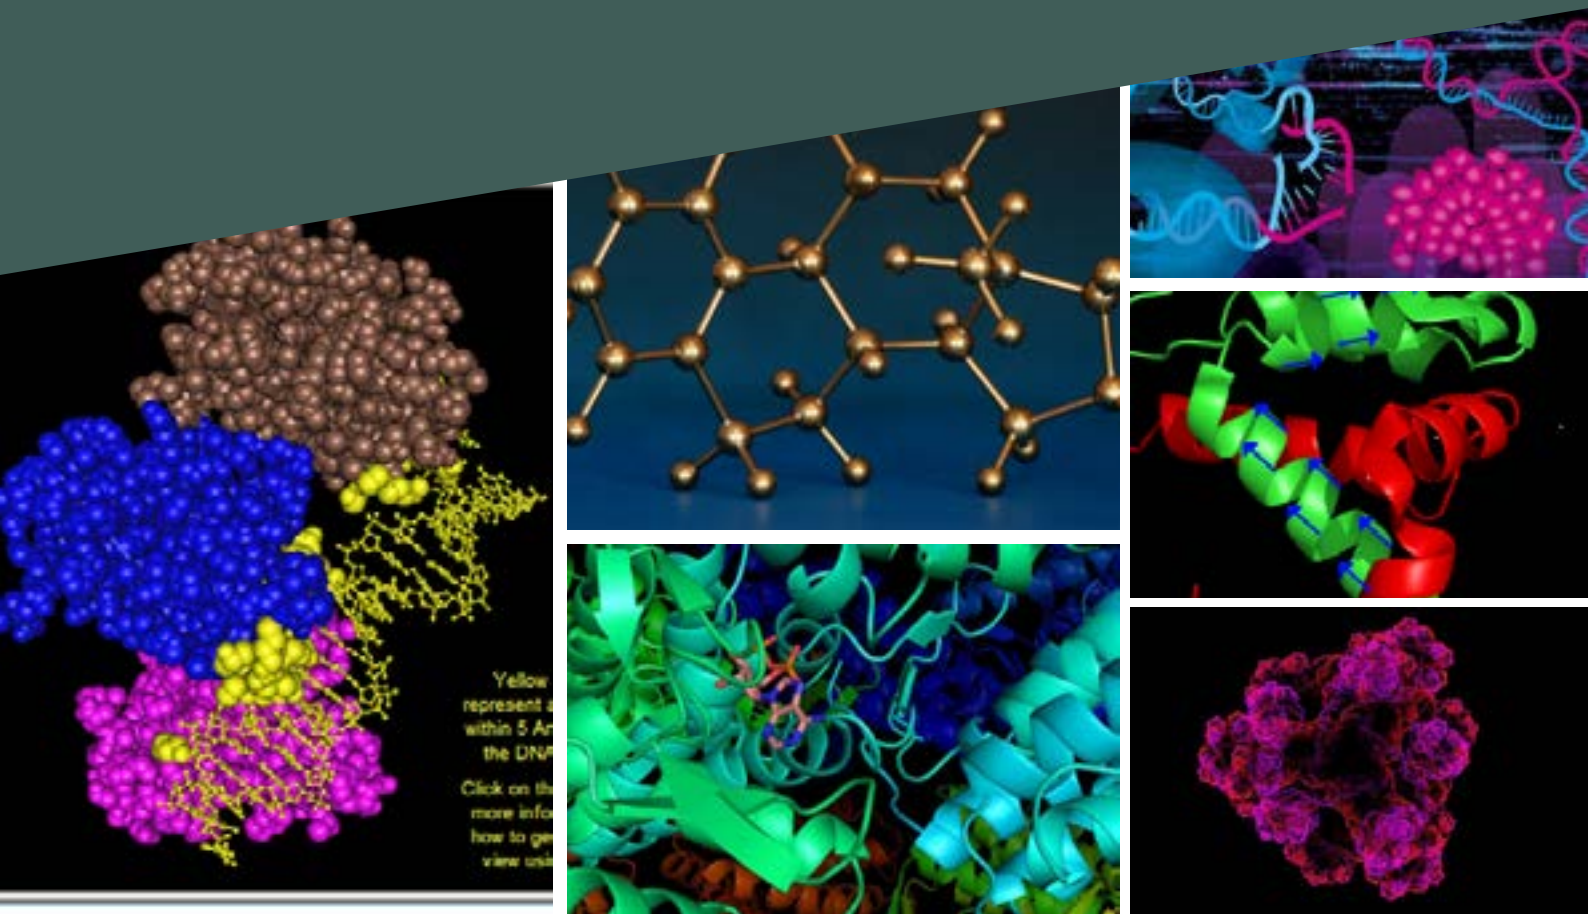

Conference Highlights

- Structural Biology
- Computational Analysis
- Hydrophobicity and Sequence Analysis
- Gene Regulation and cell Signaling
- Molecular Modeling and Dynamics
- Structural Bioinformatics
- Structural Biology Databases
- Drug Designing & Biomarkers
- Biophysics
- Novel Imaging Technique
- Cancer Immunotherapy
- Structural Biology for Virus Research
- Structural Biology Complexity Arenas
- Advances and innovations in Structural Biology

Meetings Int. offers

An unique platform for top level research and innovation

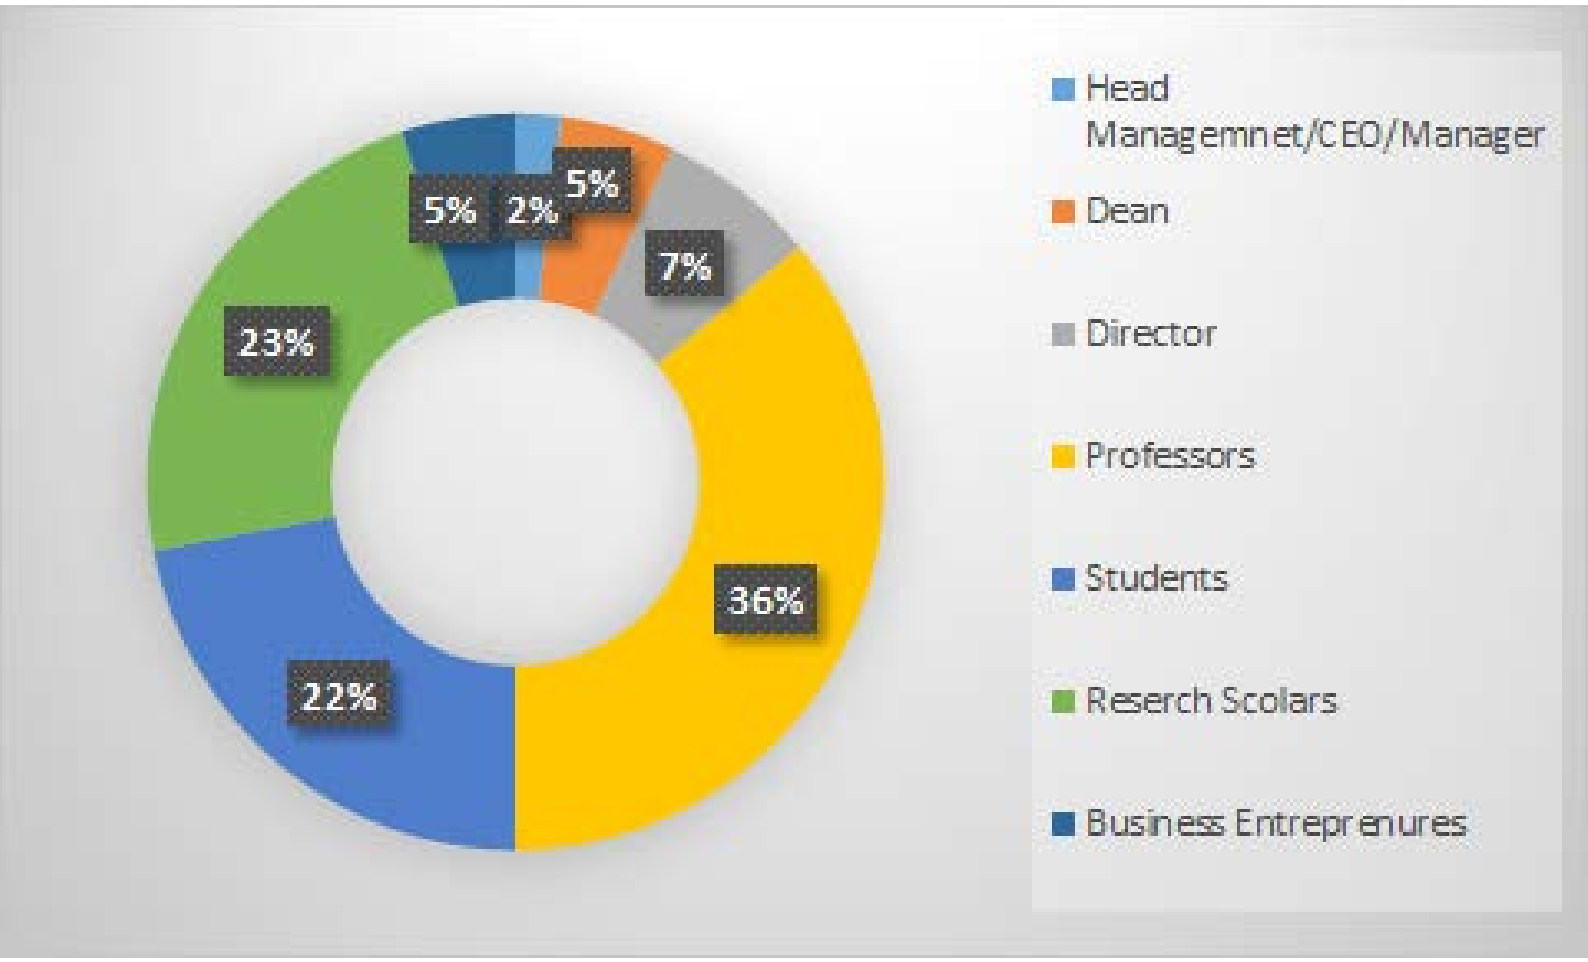

WE VALUE

To identify the future directions of research

Peer review and high quality publication

Quality research

Explore **Dubai**

Dubai is the most wonderful emirates among the seven emirates which make up the United Arab Emirates. It has become known as the country that is called “a wonder of the world”; as it is a city of tallest skyscrapers, beautiful homes with swimming pools, the largest malls, the best 7-star hotels and golf courses which arise out of the middle of the desert. The Burj Khalifa, currently the tallest building in the world, afford visitors an almost surrealistic view of the city from the observation decks on the 124th and 148th floors. The most popular universities are also located in Dubai help to improve latest imaging technology and research in structural biology.
