Global summit on

Surgeon-2022

June 24-25, 2022 | NEW YORK, USA

Theme: "Accelerating Advance Research and Innovation in Surgery"

https://www.meetingsint.com/conferences/surgeon

Dear All,

International Conference on Surgery, Surgeon and Anesthesia is going to be held in New York, USA on June 24-25, 2022. We invite you to join the global event that impacts the advancements and technology trends in Surgery and Anesthesia The theme of the conference is "Accelerating Advance Research and Innovation in Surgery". Surgery Conference will discuss the latest research outcomes and technological advancements in the field bringing together leading surgeons, physicians, research scholars to exchange their views on critical aspects of surgery research. This conference is designed in a way to provide an exclusive platform for new researchers and scholars to present and discuss the most recent innovations, trends and practical challenges encountered, and the solutions adopted in the field of Surgery. Surgery Conference is focused to address the constant effort being made by scientists to improve the existing and inventing novel technologies for the future.

Sincerely,

Organizing Committee

Surgeon-2022.

- Funding Agencies & Fund Raisers
- Management Bodies
- Decision Makers

About NewYork

The City of New York is the most populous city in the United States. New York City is also the most densely populated major city in the United States. Located at the southern tip of the state of New York, the city is the center of the New York metropolitan area, the largest metropolitan area in the world by urban landmass and one of the world's most populous megacities. A global power city, New York City has been described uniquely as the cultural, financial, and media capital of the world, and exerts a significant impact upon commerce, entertainment, research, technology, education, politics, tourism, art, fashion, and sports. The city's fast pace has inspired the term New York minute. Home to the headquarters of the United Nations, New York is an important center for international diplomacy. Two noteworthy stream valleys – the north-south Hudson River Valley and the east-west Mohawk River Valley – separate these more hilly locales. Western New York is viewed as a component of the Great Lakes Region and fringes Lake Ontario, Lake Erie, and Niagara Falls. The focal piece of the state is overwhelmed by the Finger Lakes, a well-known vacation and tourist destination.
