Young Research Forum:

Meetings International is announcing the Young Scientist Awards through the 12th International Conference on Surgery and Surgeons (Surgeons Meet 2024) which is scheduled in Rome, Italy during February 15-16, 2024. This Conference focuses on Surgery Horizons: Exploring Innovations, Enhancing Outcomes

Surgeons Meet 2024 will recognize participants who have significantly added value to the scientific community of Surgeons Meet 2024 and provide them with outstanding Young Scientist Awards. The Young Scientist Award will provide a strong professional development opportunity for young researchers by meeting experts to exchange and share their experiences at our international conferences..

Benefits:

The Young Scientist Feature is a platform to promote young researchers in their respective areas by giving them a chance to present their achievements and future perspectives.

Acknowledgment as YRF Awardee Promotion on the conference website, Young Researcher Awards, and certificates Link on the conference website Recognition on Meetings Int. Award Page Chances to coordinate with partners around the world Research work can be published in the relevant journal without any publication fee

VENUE:

Rome, Italy

Rome, Italy, a city where ancient history and modern innovation converge, provides an exceptional backdrop for events like the Surgeons Meet conference. With iconic landmarks such as the Colosseum and the Vatican, Rome offers a timeless blend of culture and heritage. The conference, gathering global medical experts, takes advantage of Rome's renowned medical institutions while contributing to the city's legacy of progress. As attendees exchange cutting-edge surgical knowledge, they are surrounded by the captivating spirit of a city that seamlessly weaves together its rich past and vibrant present.

The Conference Tentative Venue at Hotel Mercure Rome West..
