August 06-07, 2018 | Tokyo, Japan

www.meetingsint.com/conferences/surgery

Invitation

Meetings International proudly announces the ***International Conference on Surgery and Anaesthesia*** scheduled during ***August 06-07, 2018*** in ***Tokyo, Japan***. The conference emphasizes the theme "***Disseminating latest technologies in the field of Surgery and Anaesthesia***".

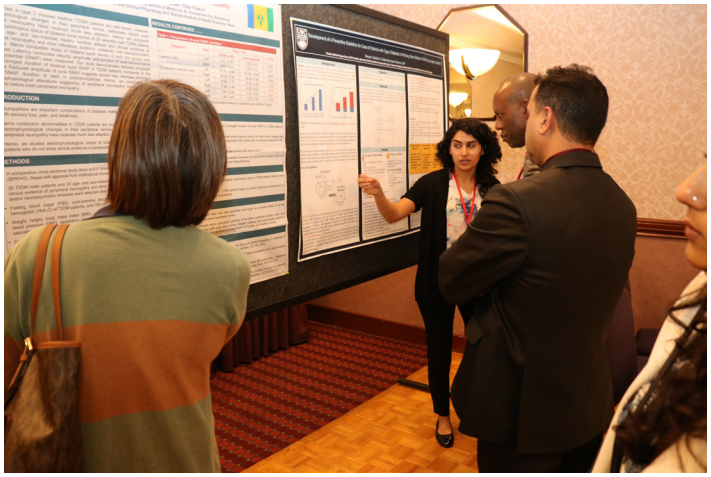

Meetings International provides an international dais for Surgeons and Anesthesiologist professionals to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. It's important to share knowledge with others due to newly generated problem. The optimization of perioperative processes, in which anesthesiology assumes an important role and become increasingly important in the last few years. Recent studies have shown that anesthesiological management can have a relevant influence on patients' outcomes.

Sincerely,
Operating Committee
Meetings International

Meetings Int. offers

An unique platform for top level research and innovation

WE VALUE

To identify the future directions of research

Peer review and high quality publication

Quality research

Number of Attendees

200 +

- Societies, Universities & Hospitals
- Companies & Medical Farms

Number of Speakers and Presentations

32 +

Number of Sponsors and Exhibitors

10 +

Attendee Profile

- Director & Professors
- Senior Scientist
- Commercial/Business Dev

Explore Tokyo

Tokyo is the capital city of Japan. The Greater Tokyo Area is the most populous metropolitan area in the world. It is the seat of the Emperor of Japan and the Japanese government. It officially became the capital after Emperor Meiji moved his seat to the city from the old capital of Kyoto in 1868; at that time Edo was renamed Tokyo. Tokyo position is first in the Global Economic Power Index and fourth in the Global Cities Index. Tokyo was ranked as the 11th most costly city for expatriates, according to the Mercer consulting firm, and also the world's 11th most expensive city, according to the Economist Intelligence Unit's cost-of-living survey. In 2015, Tokyo was named the Most Liveable City in the world by the magazine Monocle.
