2020

Invitation

Welcome to Stockholm, Sweden and explore the science of Surgery illuminated as never before. EuroSciCon is proud to host the 3rd Annual Summit on Surgery, March 25-26, 2020 | Stockholm, Sweden. This year's theme is Innovations and Advanced practices in Surgery. Euro Surgery 2020 will provide an unprecedented opportunity for surgeons of all stripes and colors to share their research with colleagues, and discuss and debate the latest advancement in the field. We invite all Multinational organizations, entrepreneurs, scientists, surgeons & students in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome. With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Surgery Conference is the perfect venue not only to dive into your particular surgery interests but also to expand the scope of your knowledge. 24 tracks are devoted to subjects such as General Surgery, Cardiac Surgery, Vascular Surgery, Plastic & Aesthetic Surgery, Colon and Rectal Surgery, Orthopaedic Surgery, Otorhinolaryngology Surgery, Endocrine Surgery, Transplantation Surgery, Trauma Surgery, Ophthalmic Surgery, Surgical Oncology, Anaesthesia & Pre-Operative Care Acute Care Surgery, Robotic Surgery, Obstetrics and Gynaecological Surgery, Pediatric Surgery, Neuro Surgery, Bariatric Surgery, Laparoscopic Surgery, Gender Reassignment Surgery, Perioperative Nursing Surgical Instruments, Surgical Advancements. The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant Surgery forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

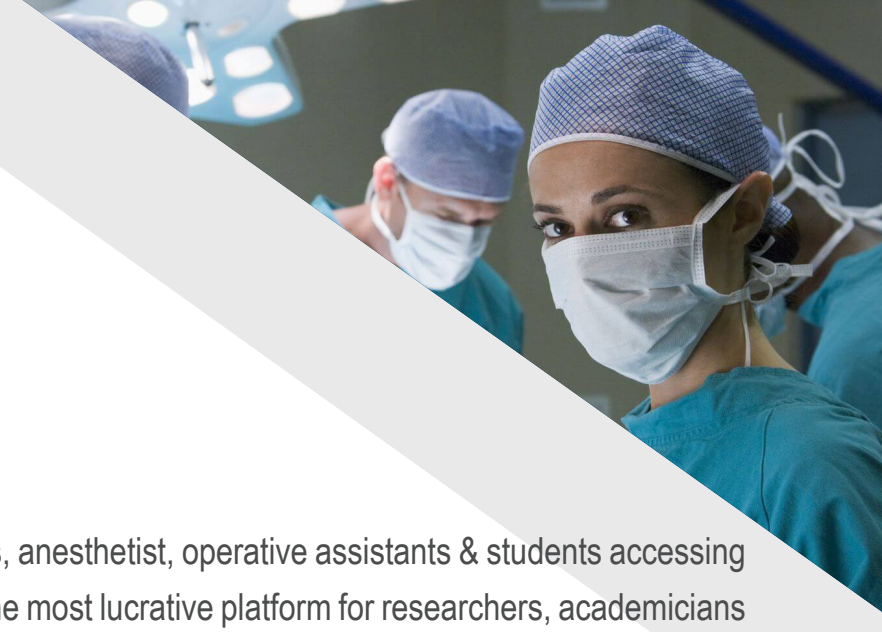

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ surgeons, scientists, anesthetist, operative assistants & students accessing the website, Euro Surgery 2020 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Euro Surgery 2020 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

About Destination Stockholm

Stockholm attracts the most innovative people from all corners of the world and what meets them is a capital known for its beauty and closeness to nature. You are likely to see people both riding horses and stand up paddling while you wander the streets of Stockholm. Stockholm may be liberal and forward-looking when it comes to collective mindset, but it's rich in history too. When in town, don't miss out on the maritime Vasa Museum and the world's first open air museum Skansen, both located on the island of Royal Djurgården.

The best things to do in Stockholm are often outside. As a breathtaking coastal capital spread across 14 islands, Stockholm instantly impresses with its charming medieval streets, immaculate blooming parks and vibrant waterfront promenades packed with attractions (all top contenders for the city's most Instagrammable places). But dig a bit deeper and you'll also uncover its edgy, creative (and indoor) side, with trendsetting new eco-architecture and a diverse nightlife scene, ranging from decadent floating bars to throbbing concrete clubs..
