7th International Conference on

Surgery and Anaesthesia

May 18-19, 2020 | Paris, France

Surgery 2020

Invitation

Dear Attendees,

Meetings International proudly announces the 7th International conference on Surgery and Anesthesia scheduled during May 18-19, 2020 at Paris, France. The conference emphasizes the theme "Sustaining the surgical techniques for better health-recent trends in surgery".

Surgery 2020 will discuss the latest research outcomes and technological advancements in the field bringing together leading surgeons, physicians, research scholars, students along with industrial and pharmacy professionals to exchange their views on critical aspects of Surgery research. Surgery Event is designed in a way to provide an exclusive platform for new researchers, scholars, and educators to present and discuss the most recent innovations, trends, and concerns, practical challenges encountered, and the solutions adopted in the field of Surgery.

Sincerely,

Operating Committee

To identify the future directions of research

Peer review and high quality publication

Quality research

Explore Paris

Paris is the capital and most populous city of France and an official estimated population of 2,140,526 residents as of 1 January 2019. Since the 17th century, Paris has been one of Europe's major centres of finance, diplomacy, commerce, fashion, science, and the arts. The City of Paris is the centre and seat of government of the Île-de-France, or Paris Region, which has an estimated official 2019 population of 12,213,364, or about 18 percent of the population of France. The Paris Region had a GDP of €709 billion ($808 billion) in 2017. According to the Economist Intelligence Unit Worldwide Cost of Living Survey in 2018, Paris was the second most expensive city in the world, after Singapore, and ahead of Zürich, Hong Kong, Oslo and Geneva. Another source ranked Paris as most expensive, on a par with Singapore and Hong Kong, in 2018.
