

EuroSciCon

5th International Conference on

Surgery & Anesthesia

March 09-10, 2020
Rome, Italy

Theme:

Latest Innovations and Researches in the field of Surgery & Anesthesia

EuroSciCon

Surgery & Anesthesia

2020

Invitation

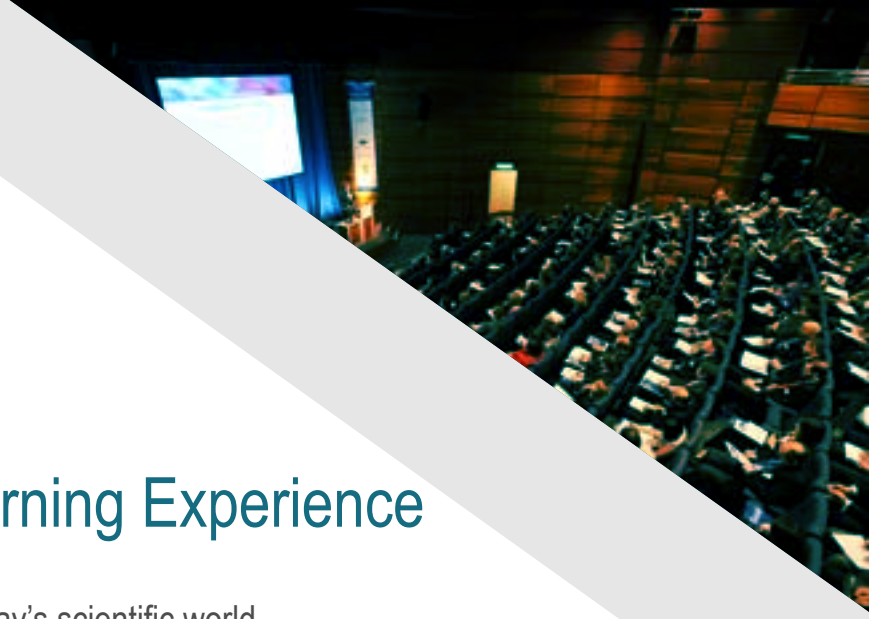

We are glad to announce the 5th International Conference on Surgery & Anesthesia to be held in Rome, Italy from March 09-10, 2020 organized by EuroSciCon ltd, UK in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members. This conference is a unique international platform that's a confluence of all stake holders of the ecosystem – Industry, Academia, Researchers, Innovators, Regulators – coming together to present and discuss current topics in Surgery, General Surgery, Surgical Oncology, Transplant Surgery, Vascular Surgery, Laproscopic Surgery, Pediatric Surgery, Trauma Surgery, Oral & Maxillofacial Surgery, Plastic Surgery, Anesthesia, Anesthetics, Sedation, Ambulatory Anesthesia, Pediatric Anesthesia, Spinal Anesthesia, Epidural Anesthesia, Anesthetic Adjunct, Steroid Anesthetics, Propofol, Benefits of Anesthesia, Anesthesia Equipment, Anxiolytics, Narcotics, Paralytics, Pain, Analgesia, NSAIDs, Amnesia, Postoperative Nausea and Vomiting, Acute Stress Response, Peripheral Nerve Block, Mortality, Emergence, Coma will be available to discuss.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is about learning every day. Make it count in your professional life. Attend the Surgery & Anesthesia Conference 2020 Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Rome, Italy- March 09-10, 2020

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Adolescent Medicine Specialists and Otolaryngology Conference Care Professionals accessing the website, Surgery & Anesthesia Con*ference 2020* is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Rome, Italy

Surgery & Anesthesia Conference 2020 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A tim
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Surgery & Anesthesia

2020

Who'd be attending?

5th International Conference on Surgery & Anesthesia plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently business analysts, medical representatives and healthcare providers.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Surgery
- General Surgery
- Surgical Oncology
- Transplant Surgery
- Vascular Surgery
- Laproscopic Surgery
- Pediatric Surgery
- Trauma Surgery
- Oral & Maxillofacial Surgery
- Plastic Surgery
- Anesthetics
- Sedation
- Ambulatory Anesthesia
- Pediatric Anesthesia
- Spinal Anesthesia
- Epidural Anesthesia
- Anesthetic Adjunct
- Steroid Anesthetics
- Propofol
- Benefits of Anesthesia
- Anesthesia Equipment
- Anxiolytics
- Narcotics
- Paralytics
- Pain
- Analgesia
- NSAIDs
- Amnesia
- Postoperative Nausea and Vomiting
- Acute Stress Response
- Peripheral Nerve Block
- Mortality
- Emergence
- Coma

About Destination Rome, Italy

Rome, Italy's capital is a sprawling, cosmopolitan city with nearly 3,000 years of globally influential art, architecture and culture on display. Ancient ruins such as The Forum and the Coliseum evoke the power of the former Roman Empire. Vatican City, headquarters of the Roman Catholic Church, has St. Peter's Basilica and the Vatican Museums, which house masterpieces such as Michelangelo's Sistine Chapel frescoes.

Rome's history spans more than two and a half thousand years. While Roman mythology dates the founding of Rome at only around 753 BC, the site has been inhabited for much longer, making it one of the oldest continuously occupied sites in Europe. The city's early population originated from a mix of Latin's, Etruscans and Sabine's. Eventually, the city successively became the capital of the Roman Kingdom, the Roman Republic and the Roman Empire, and is regarded as one of the birthplaces of Western civilization and by some as the first ever metropolis. It is referred to as "Roma Aeterna" and "Caput Mundi" two central notions in ancient Roman culture. In 1871 Rome became the capital of the Kingdom of Italy, and in 1946 that of the Italian Republic.
