21st International Conference on

Smart Sustainable Materials and Technologies

May 23-24,2022 | Rome, Italy

https://www.meetingsint.com/conferences/sustainable-material

Invitation

Dear Attendees

Meetings International proudly announces the ***21st International Conference on Sustainable Material*** scheduled during ***May 23-24, 2022 in Rome, Italy.***

The conference emphasizes the theme "***RESEARCH & INNOVATION ON SMART SUSTAINABLE MATERIAL AND TECHNOLOGIES***".

The Sustainable Material-2022 gathering gives a mind-blowing opportunity to discuss the latest progressions inside the field. This conference brings together the innovations in Sustainable Material and brings the key opinion leaders and thought leaders in the field from around the world for two intensive days of scientific presentations, networking as well as engagement with companies developing innovations in tools and technologies in this space. The purpose of Sustainable Material-2022 is to provide an international technical forum to showcase recent advances in Materials , Nanotechnology, Science and Technology conference operation committee is providing a platform for all the budding young researchers, young investigators to showcase their research and innovation.

Sincerely,

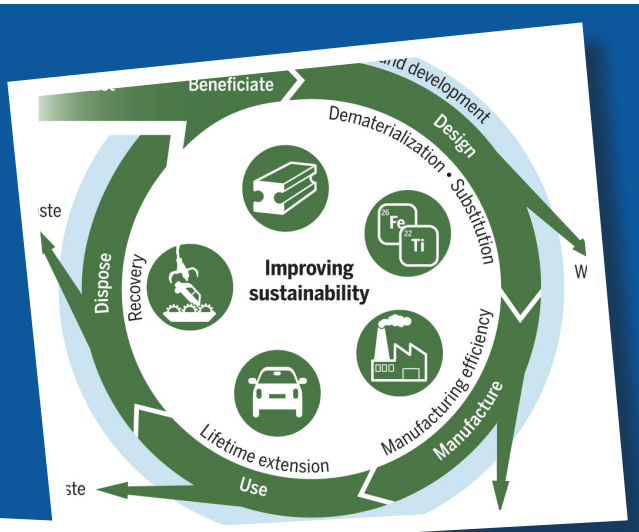

Operating Committee

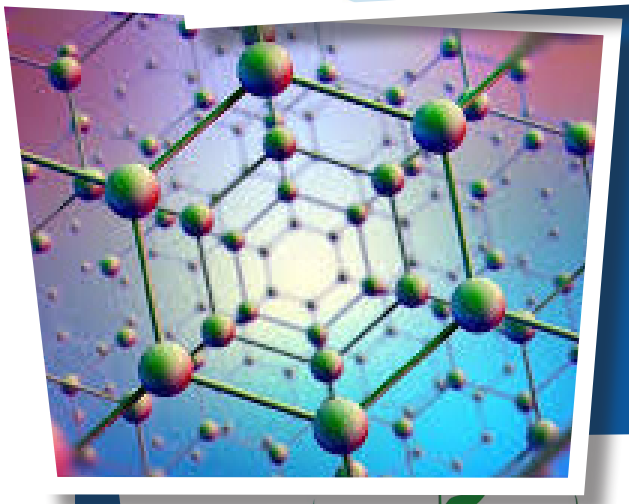

Sustainable Material 2022

Sustainable Material-2022

Conference Highlights

- Sustainable Manufacturing and Translational
- Smart bio-materials
- Nano Materials for Sustainability
- Sustainability of Materials Process
- Smart materials for sewage treatment
- Green Nano Materials
- Eco-friendly and sustainable materials
- Dynamic behavior of material
- Ceramic and composite materials
- Polymer-based smart materials

- To identify the future directions of research
- Peer review and high quality publication
- Quality research
