- Engineers
- Experts Looking for Collaborative Work
- Product Developers
- Solution Providers
- Sales & Marketing Professionals
- Associations, Societies, & Professional Bodies
- Funding Agencies & Fund Raisers
- Management Bodies
- Decision Makers

About Berlin

Amsterdam was founded at the Amstel that was dammed to control flooding; the city's name derives from the Amstel dam. Originating as a small fishing village in the late 12th century, Amsterdam became one of the most important ports in the world during the Dutch Golden Age of the 17th century, and became the leading centre for finance and trade. In the 19th and 20th centuries, the city expanded and many new neighborhoods and suburbs were planned and built. The 17th-century canals of Amsterdam and the 19–20th century Defence Line of Amsterdam are on the UNESCO World Heritage List. Sloten, annexed in 1921 by the municipality of Amsterdam, is the oldest part of the city, dating to the 9th century.

Amsterdam's main attractions include its historic canals, the Rijksmuseum, the Van Gogh Museum, the Stedelijk Museum, and Hermitage Amsterdam, the Concertgebouw, the Anne Frank House, the Scheepvaart museum, the Amsterdam Museum, the Heineken Experience, the Royal Palace of Amsterdam, Natura Artis Magistra, Hortus Botanicus Amsterdam, NEMO, the red - light district and many cannabis coffee shops. It drew more than 5 million international visitors in 2014. The city is also well known for its nightlife and festival activity; with several of its nightclubs (Paradiso) among the worlds most famous. Primarily known for its artistic heritage, elaborate canal system and narrow houses with gabled façades; well-preserved legacies of the city's 17th-century Golden Age. These characteristics are arguably responsible for attracting millions of Amsterdam's visitors annually. Cycling is key to the city's character, and there are numerous bike paths.

Important Updates

Abstract Submission Deadline: January 19, 2022 Early Bird
Registration Deadline: April 20, 2022
Pre-Webinar Registration Deadline: May 12, 2022
