Dear Colleagues,

Meetings International is glad to announces the upcoming International conference on Annual Next-Gen Regenerative Medicine & Tissue Engineering Conference planned to be held at Osaka, Japan during September 20-21, 2018. The conference emphasizes the theme "Novel Perspectives on Tissue Engineering". Focusing on the latest ideas and advances for tissue engineering

Meetings International provides a Global Platform for Tissue Engineering Professionals, Tissue engineering Practitioners, Medical and Healthcare Professionals to Exchange Ideas, Knowledge and Networking at its 100+ International Conferences.

Tissue engineering is a scientific field which alarmed with the progress of biological substitutes capable of substituting diseased or damaged tissue in human body. The highly growing price of organ replacement and more medical uses of 3D printing in tissue and organ regeneration are driving the international tissue engineering and regeneration market. Besides it, this technology is gaining acceptance due to its effectual products and reduced rejection rates

Conference Highlights :

- Tissue Biomarkers
- Biochips and Tissue Chips
- Scaffolds
- Biomaterials and Bioengineering
- 3D bio printing
- Novel Approaches in Guided Tissue Regeneration
- Biomedicine
- Bone and Cartilage Tissue Engineering
- Skin Tissue Engineering
- Cardiac Tissue Engineering
- Bio artificial Organs
- Stem Cell Engineering (SCE)
- Cancer Stem Cells
- MicroRNA in Regenerative Medicine
- Applications of Tissue Engineering and Regenerative Medicine
- Regenerative Medicine

Annual Next-Gen Regenerative Medicine & Tissue Engineering Conference

September 20-21, 2018 Osaka, Japan

Program at A Glance

Day 1

Reception/Registration	**08.00-09.00**	
	Time	**General Session**
Morning Sessions	09.00-09.15	Inaugural Address
Least of 3 Keynote/Plenary Talks	09.15-09.45	Keynote/Plenary Talk 1
	09.45-10.15	Keynote/Plenary Talk 2
	10.15-10.45	Keynote/Plenary Talk 3
Panel Discussions/Group Photo		
Coffee/Tea Break 10.45-11.00 (Networking)		
11.00-12.40	Speakers (25 Mins each) (Slot Available)	
Lunch Break 12.40-13.30		
Evening Sessions 13.30-15.30	Speakers (25 Mins each) (Slot Available)	
Coffee/Tea Break 15.30-15.45 (Networking)		
15.45-17.25	Workshop	

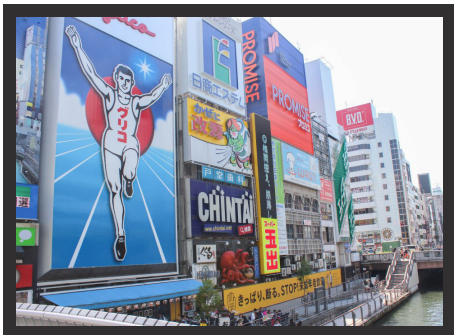

Day 2

	Time	**Session 1**	**Session 2**
Morning Sessions 09.00-10.40		Keynote Forum	Tissue Engineering & Regenerative medicine
Coffee/Tea Break 10.40-10.55 (Networking)			
10.55-12.35		Speakers (Slot Available)	Speakers (Slot Available)
Lunch Break 12.35-13.25			
Evening Sessions 13.25-15.05		Speakers (Slot Available)	Speakers (Slot Available)
Coffee/Tea Break 15.05-15.20 (Networking)			
15.20-17.00		Speakers (Slot Available)	Poster Presentation (slots available)

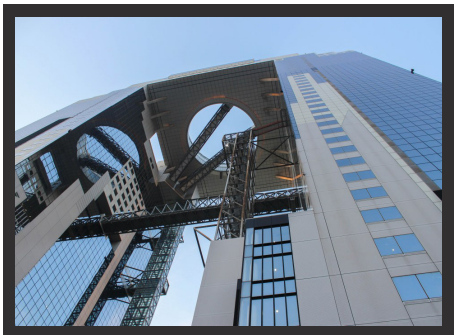

NOTE: Program Shedule is subject to change with final allotment of the speaker slots

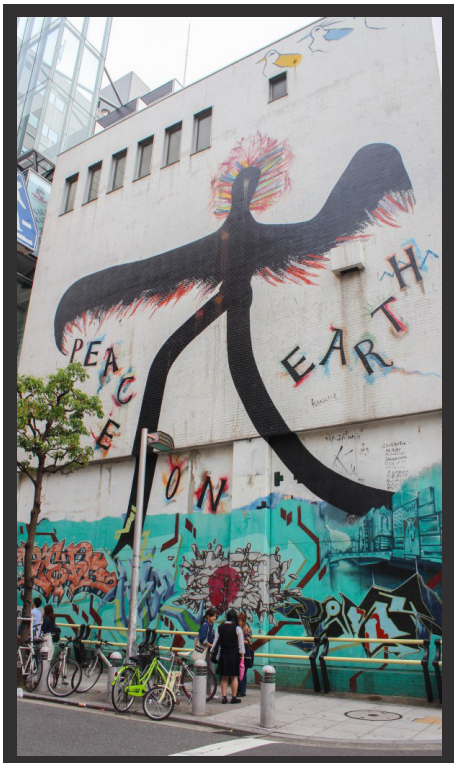

Tourist Attractions

Dotonbori

Floating garden

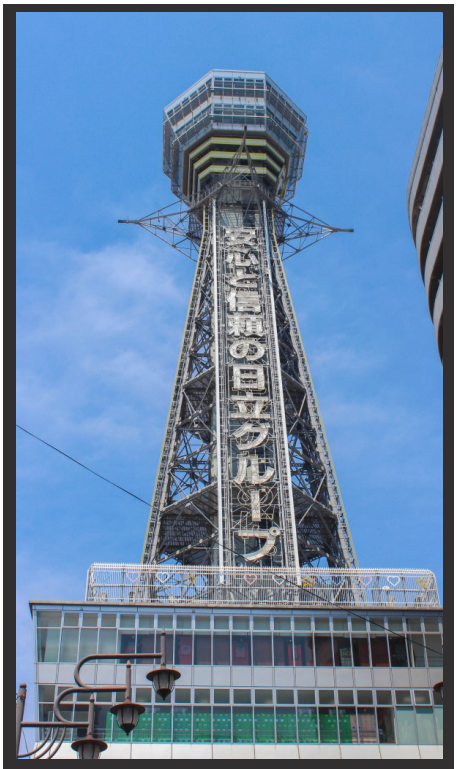

American village

Kuromon Market

Osaka Aquarium Kaiyukan

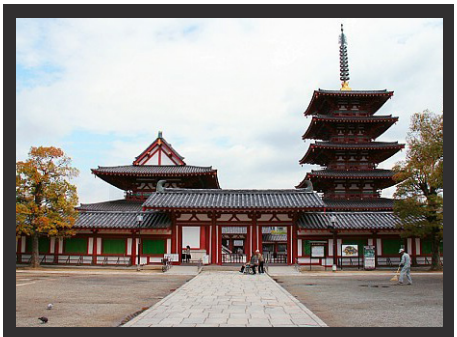

Tsutenkaku

About Osaka

Venue:

Osaka, Japan

Osaka is a large harbor urban and profitable epicenter for Japan. It's well known for its modern construction, nightlife and hearty street food. The 16th-century shogun ate Osaka Castle, which has undergone numerous restorations, is main historical landmark. It is the second largest metropolitan area in Japan and among the largest in the world having over 19 million populations. Situated at the doorway of the Yodo River on Osaka Bay, providing as a chief economic hub for the nation. It is the home of Universal studios Japan, Osaka castle, Dotonbori, Osaka Aquarium Kaiyukan.
