Invitation

Tissue Engineering 2020

Dear Attendees,

Meetings International proudly announces the 7th International Conference on Tissue Engineering & Regenerative Medicine scheduled duringNovember 23-24, 2020 | Singapore City, Singapore. The conference emphasizes the theme "Trends, Challenge, and Leadership in Tissue Engineering & Regenerative Medicine".

At the 'International Conference on Tissue Engineering & Regenerative Medicine', Meetings International promotes broad scope research and peer review at a wide range of specialists around the world. The key strategic objective of Meetings Int. is to communicate science and medical research between academia, and industry. Through inspiring sessions and tons of networking, you will learn to be even more audacious and bold than you are now and free to grow your mind, grow your business, and grow your bottom-line. We can relieve you of the time and resource draining elements of the events that you plan to hold. From planning to coordinating, start to finish; we will be there to ensure you take the accolades for yet another brilliant program.

Sincerely,

Operating Committee
