7th International Conference on

Tissue Engineering & Regenerative Medicine

November 12-13, 2021 | Miami, USA

https://www.meetingsint.com/conferences/tissueengineering

Invitation

Dear Attendees,

Meetings International proudly announces the 7TH International Conference On Tissue Engineering And Regenerative Medicine scheduled during November 12-13, 2021 in Miami, USA.

The conference emphasizes the theme "TRENDS, CHALLENGES AND LEADERSHIP IN TISSUE ENGINEERING AND REGENERATIVE MEDICINE".

The Tissue Engineering 2021 gathering gives a mind-blowing opportunity to discuss the latest progressions inside the field. This conference brings together the innovations in microfluidics and brings the key opinion leaders and thought leaders in the field from around the world for two intensive days of scientific presentations, networking as well as engagement with companies developing innovations in tools and technologies in this space. The purpose of Tissue Engineering 2021 is to provide an international technical forum to showcase recent advances in Tissue engineering and regenerative medicine. Tissue engineering 2021 conference operation committee is providing a platform for all the budding young researchers, young investigators to showcase their research andinnovation.

Sincerely,

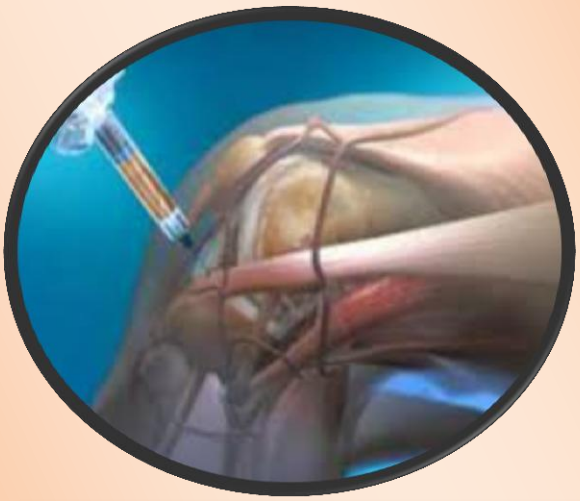

Operating Committee

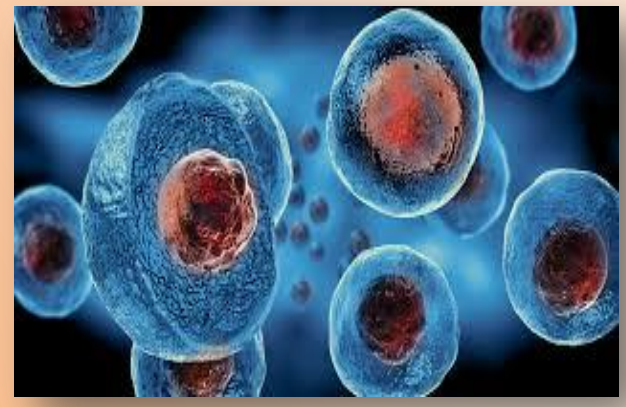

Tissue Engineering 2021

Conference Highlights

- **Tissue repair and Rejuvenation**
- **Regenerative Medicine**
- **3D Bio Printing and Bio Fabrication**
- **Scaffolds Used In Tissue Engineering**
- **Bone and Cartilage Tissue Engineering**
- **Tissue Chip for Drug Screening**
- **Skin Tissue Engineering and Wound healing**
- **Biosensors & Biomaterials and Bio artificial Organs**

- **To identify the future directions of research**
- **Peer review and high quality publication**
- **Quality research**

Miami Attractions

Explore USA

Miami , officially the City of Miami, is a coastal metropolis located in southeastern Florida. It is the third most populous metropolis on the East coast of the United States, and it is the seventh largest in the country. The city has the third largest skyline in the U.S. with over 300 high-rises, 55 of which exceed 491 ft. (150 m).Miami is a major center and leader in finance, commerce, culture, arts, and international trade. The heart of the city is Downtown Miami, which is on the eastern side and includes the neighborhoods of Brickell, Virginia Key, Watson Island, as well as Port Miami. Miami is one of South Florida's premier vacation destinations, with beaches, great weather, history, culture, sports, and entertainment. Downtown Miami, separated from the Atlantic Ocean by the Biscayne Bay and Miami Beach, is a modern metropolis and cultural treasure trove.
