# ABOUT ROME

ROME is the capital city of Italy. Rome also serves as the capital of the Lazio region, it is also the country's most populated comune. It is the fourth-most populous city in the European Union by population within city limits. It is the centre of the Metropolitan City of Rome. Rome is located in the central-western portion of the Italian Peninsula. The Vatican City is an independent country inside the city boundaries of Rome. It is also called as the eternal city because of its great beauty, contrast and life style. Rome has the status of a global city. The city is one of the four fashion capitals of the world, which include Paris, London and New York.
