Invitation

A Webinar is an online seminar that turns a presentation into a real-time conversation from anywhere in the world. Webinars allow large groups of participants to engage in online discussions or training events and share audio, documents or slides – even when they're not in the same place as the meeting host or in the same room where the event or presentation is taking place.

Euroscicon Conferences takes an immense Pleasure to invite participants from all over the world to attend the " International conference on Tropical and Infectious Diseases", to be held on-line on March 25-26, 2021. The conference program focuses on "Prevention on infectious diseases and study of covid-19". This gathering will strengthen the ideas about infectious Diseases and different aspects related to it. We attempt to provide a perfect stage to Researchers, Scholars, and key Speakers to share data and experiences and empower people with their deep knowledge of Human Infectious Diseases and aspire them to fight against the worldwide risk related to it. The convention meeting consists of discussion and workshops, keynote speeches, absolute talks, poster presentations, e-Poster introductions and a panel session on cuttingedge research traits within the field of Infectious diseases , Prevention, Control and Diagnosis of emerging Diseases.
