3RD INTERNATIONAL CONFERENCE ON

VACCINES & VACCINATION

MAY 20-21, 2020 | OSAKA, JAPAN

Vaccine 2020

Invitation

Dear Attendees,

Meetings International proudly announces the 3rd International Conference on Vaccines & Vaccination scheduled during May 20-21, 2020 in Osaka, Japan. The conference emphasizes the theme "Advances in Immunology & Vaccine Technology And Their Impact".

Vaccine 2020 will be a platform for plenary speakers, Keynote speakers, Invited speakers and Young Researchers as well as for the youth generation. The summit will work as a discussion point for researchers and experts from all around the world to discuss the cause, effect, prevention as well as the future roadmap of a Vaccine & Vaccination. This conference provides the best platform to the scientific community and industry to share their experiences and researches, wherein they can add to the society and get to know about the latest techniques of acupuncture which can help in their personal growth as well.

Sincerely,

Operating Committee

Peer review and high quality publication

Quality research

Explore Osaka

Osaka is a designated city in the Kansai region of Japan. Osaka is a large port city and commercial center on the Japanese island of Honshu. It's known for its modern architecture, nightlife and hearty street food. Osaka has also been known as the "nation's kitchen" and it is known for its food, in Japan and abroad. Osaka city once had a large number of universities and high schools, but because of growing campuses and the need for larger area, many chose to move to the suburbs, including Osaka University like few are Kansai University, Morinomiya University of Medical Sciences, Osaka City University, Osaka University of Economics.
