Vaccine R&D conference 2018

VACCINE R&D CONFERENCE

October 29-31, 2018 | Prague | Czech Republic

https://meetingsint.com/vaccines-conferences/vaccines

Invitation

Meetings International proudly announces the ***Vaccine R&D conference 2018*** scheduled during ***October 29-31, 2018*** in ***Prague | Czech Republic***. The conference emphasizes the theme "***A Global discussion on Vaccine Research & Development***".

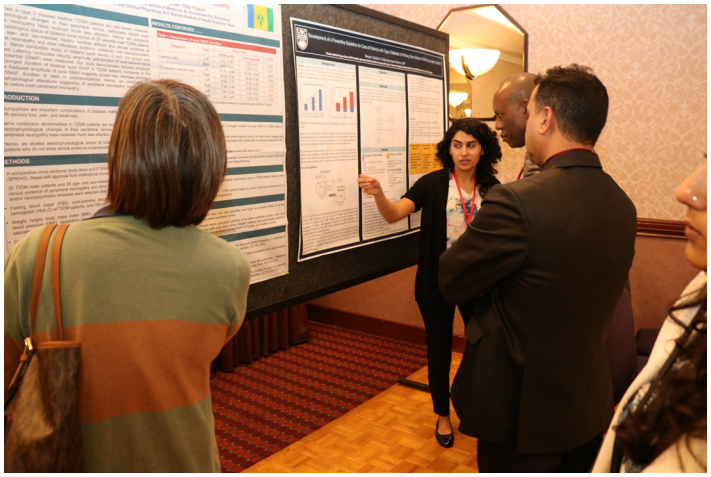

Meetings International provides an international dais for scientists and Vaccination and Immunization professionals to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. The importance of vaccines has come into spotlight in the recent years. Many of the floral species have become extinct due to the human activities. Thus, priorities are given for the vaccines research to produce more production to support the ever-growing population of the world.

Sincerely,
Operating Committee
CEO and Founder
Meetings International PTE LTD.

Quality research

Explore Prague

Prague is the capital and largest city in the Czech Republic, the 14th largest city in the European Union and also the historical capital of Bohemia. Situated in the north-west of the country on the Vltava river. The city has a temperate climate, with warm summers and chilly winters. Prague has been a political, cultural and economic centre of central Europe complete with a rich history. Prague was founded during the Romanesque and flourishing by the Gothic, Renaissance and Baroque eras.
