Invitation

Dear Attendees,

Meetings International presents the 4th International Vaccine R&D Congress scheduled to be held from August 24-25, 2022 in London, UK. The conference will bring together leading scientists, early-career researchers to share their perspectives and gather specialists from these interdisciplinary fields to discuss necessary measures needed to develop a new generation of powerful tools for synergistic development in the field of sensors. Through a progression of encouraging plenary talks, inspiring keynote lectures, workshops, industry-sponsored symposia and exhibitions, the conference provides new information about the use of latest technologies and building new links between disciplines enables discussion and new collaborations. We assure our attendees return to their place with the selfbelief to improve their abilities and outfitted with certified approaches to work with us.

Sincerely,

Operating Committee

London Attractions

Explore London

London, city, capital of the United Kingdom. It is among the oldest of the world's great cities—its history spanning nearly two millennia—and one of the most cosmopolitan. By far Britain's largest metropolis, it is also the country's economic, transportation, and cultural centre.

London is famous for more than its magnificent ancient buildings, the Palace of Westminster, Trafalgar Square, Tower of London, London Eye, Art Galleries, and Big Ben. When you walk around London, you see many things from the early history of the world that evokes both curiosity and excitement. The ultimate destination to get you in the festive spirit. London is a truly beautiful city. When you take into account the various areas of the city, along with their top sights and attractions, it's easy to see its beauty.
