Glimpses of Vaccines and Immunology 2023

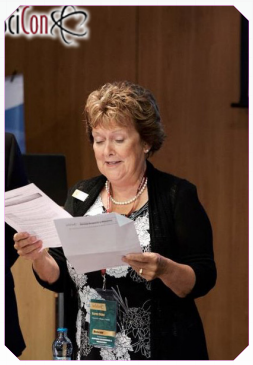

Major Scientific Sessions

- Emerging and Re-Emerging Infectious Diseases
- Vaccine Research & Development
- Influenza and Respiratory Diseases
- Vaccines Bioprocessing and Manufacturing
- Vaccines Pre-Clinical Validation to Clinical Trials
- Anti-Microbial Resistance
- Vaccines Technology
- Cancer and Immunotherapy
- Vaccines Safety and Efficacy
- Veterinary Vaccines
- Hepatitis Vaccines
- HIV/AIDS Vaccines
- Preventable Disease Vaccines
- Immuno-Pathology
- Microbiology
- Clinical Immunology - Current & Future Research
- Inflammation and Therapies
- Immuno-Toxicology
- Epidemiology and Parasitology
- Vaccination Advancement and Immunization
- Immuno-Genetics & Immune Tolerance
- Stem Cell Therapy
- Internal Medicine
- Emergency Medicine
- Allergy & Asthma
- Novel Approaches & New Trends in Vaccines Development
- Immune-disorders
- Immuno-Informatics
- Immune Regulation

Best Poster Award

You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster

Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research

The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement

Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

Present your research through oral presentations

Learn about career development and the latest research tools and technologies in your field

This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research

Develop a foundation for collaboration among young researchers

The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe

Interact and share ideas with both peers and mentors

A Transformational Learning Experience

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to Congregate with most senior executives Nurture connexions Agenda format which incorporates ample Q&A time Partake in our revamped exhibitor expo sessions Meet and listen to the relevant clients Unprecedented growth creating an unparalleled market place

1. Curated to address the concerns of today's scientific world
2. Be inspired by some of the world's most renowned figures
3. Stimulate new ways of thinking and provoke action.
4. Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.
