A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

January 31 - February 01, 2020

Sydney, Australia

EuroSciCon

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

Moreover you get to meet the industry's high priests who come from all over the Globe. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manuscript in our Open Access Journals

EuroSciCon

With over 25000+ Surgeons, Physicians and Educators accessing the website. Vascular Surgery 2020 is the most lucrative platform for Surgeons, Doctors, Physicians, Health Care professionals, Professors, Researchers, Academicians and Industry professionals pursuing their work in the field. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Vascular Surgery 2020 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

January 31 - February 01, 2020
Sydney, Australia

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Who'd be attending?

Leading world Doctors, Registered Nurses, Health Care professionals, Professors, Research fellows, Leading Universities, Students, Nurses, Directors of association and societies. Vascular Surgery 2020 conference brings together individuals who have an interest in the field of Surgery, Health care, Medical ,and Medicine.It is a forum to explore issues of mutual concern as well as exchange knowledge, share evidence, ideas, and generate solutions.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. January 31 - February 01, 2020

Sydney, Australia

EuroSciCon

About Destination Sydney

Sydney hailing as the capital of New South Wales and one of Australia's largest cities is best known for its harbor front Sydney Opera House, with a distinctive sail-like design. Massive Darling Harbor and the smaller Circular Quay port are hubs of waterside life, with the arched Harbor Bridge and esteemed Royal Botanic Garden nearby. Sydney Tower's outdoor platform, the Skywalk, offers 360-degree views of the city and suburbs.

And even the most populous urban area of Australia, and has a lot of tourist destinations, were we can relax and breathe hassle-free, and the history of Sydney begins in prehistoric era in upper paleolithic period. Despite being one of the most expensive cities in the world, the 2018 Mercer Quality of Living Survey ranks. Sydney tenth in the world in terms of quality of living, making it one of the most livable cities Sydney has hosted major international sporting events such as the 2000 Summer Olympics.

The city is among the top fifteen most-visited cities in the world, with millions of tourists coming each year to see the city's landmarks. Education became a proper focus for the colony from the 1870s when public schools began to form and schooling became compulsory. The population of Sydney is now highly educated. 90% of working age residents has completed some schooling and 57% have completed the highest level of school.
