4TH INTERNATIONAL CONFERENCE ON

VETERINARY & ANIMAL SCIENCE

Veterinary 2019

September 23-24, 2019 | Paris, France

INVITATION

Meetings International proudly announces the **4th International Conference on Veterinary & Animal Science** scheduled during **September 23-24, 2019 at Paris, France.** The conference emphasizes the theme "**Crossing over Brilliance in Veterinary Exploration and Creative Wellbeing**".

Meetings International provides an international dais for scientists and animal health science professionals to exchange Ideas, knowledge and networking at its **100+ International Conferences**. The importance of animal health has come into spotlight in the recent years. The main objective of animal health science is to study and endeavour to cure diseases in companion animals(like dogs, cats, horses and cows etc.....), and to advance the teaching and practice of veterinary art and science.

Sincerely,
Operating Committee
CEO and Founder
Meetings International

ABOUT PARIS

Paris is the capital and most crowded city of France. The city is a noteworthy rail, expressway, and air-transport center point served by two universal air terminals: Paris-Charles de Gaulle (the second busiest airport in Europe after London Heathrow Airport) and Paris-Orly. The city's tram framework, the Paris Metro is the second busiest metro framework in Europe after Moscow Metro. Paris is particularly known for its exhibition halls and structural milestones: the Louver was the most visited craftsmanship historical center on the planet in 2017. Prevalent milestones in the focal point of the city incorporate the House of prayer of Notre Woman de Paris and the Gothic illustrious sanctuary of Sainte-Chapelle, the Eiffel Tower, the Great Palais and Petit Palais.
