Explore Rome City

(Italian: Roma), the Eternal City, is the capital and largest city of Lazio region. It is famous for being the home of the ancient Roman Empire, the Seven Hills, La Dolce Vita (the sweet life), the Vatican City and Three Coins in the Fountain. Rome, as a millennia-long center of power, culture (having been the cradle of one of the globe's greatest civilizations ever) and religion, has exerted a huge influence over the world in its roughly 2800 years of existence.

The historic Centre of the city is a UNESCO World Heritage Site. With wonderful palaces, thousand-year-old churches, grand Romantic ruins, opulent monuments, ornate statues and graceful fountains, Rome has an immensely rich historical heritage and cos- mopolitan atmosphere, making it one of Europe's and the world's most visited, famous, influential and beautiful capi- tals. Today, Rome has a growing nightlife scene and is also seen as a shopping heaven, being regarded as one of the fashion capitals of the world (some of Italy's oldest jewellery and clothing establishments were founded in the city). With so many sights and things to do, Rome can truly be classi- fied a "global city".
