About London

London is the capital and most populous city of England and the United Kingdom. London's ancient core, the City of London, largely retains its 1.12-square-mile (2.9 km) medieval boundaries. London a region governed by the Mayor of London and the London Assembly. London is one of the leading global cities in the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism and transportation. It is the world's largest financial centre and has the fifth or sixth largest metropolitan area GDP in the world.
