To identify the future directions of research

Peer review and high quality publication

Quality research

Explore Zurich

Zurich is the largest city in Switzerland and the capital of the canton of Zurich. It is located in north-central Switzerland. The official language of Zurich is German but the main spoken language is the local variant of the Alemannic Swiss German dialect, Zurich German. Most of Switzerland's research and development centres are concentrated in Zurich.Switzerland ranks at or near the top globally in several metrics of national performance, including government transparency, civil liberties, quality of life, economic competitiveness, and human development. Zurich has been ranked among the top cities in the world in terms of quality of life according to Mercer.
