Abu Dhabi Attractions

Explore Abu Dhabi, UAE

Arabic Abu Dhabi, city and capital of Abu Dhabi emirate, one of the United Arab Emirates (formerly Trucial States, or Trucial Oman), and the national capital of that federation. The city occupies most of a small triangular island of the same name, just off the Persian Gulf coast and connected to the mainland by a short bridge. Abu Dhabi was formerly an undeveloped town of only local importance, but the emirate's oil revenues enabled it to evolve into a modern city with a fully developed infrastructure. When Britain finally left the Persian Gulf and when the United Arab Emirates achieved political independence (December 1971), a compromise decision made Abu Dhabi the provisional national capital. It was made the permanent capital of the United Arab Emirates in the early 1990s. Since that time, a number of projects have been initiated to expand the city as a center for tourism and commerce
