Women Health 2018

World Congress on

Women Health & Midwifery

July 23-24, 2018 Melbourne, Australia

http://www.meetingsint.com/conferences/womenhealth

Invitation

Meetings International proudly announces the ***World Congress on Women Health & Midwifery*** scheduled during ***July 23-24, 2018 Melbourne, Australia***. The conference emphasizes the theme "***Advanced challenges in Women Health & Midwifery***".

Meetings International provides an international dais for Doctors, Researchers and Professors to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. The importance of Women health has come into spotlight in the recent years. Many of the Health issues have become extinct due to the human activities. Thus, priorities are given for the Health care Professionals to produce more production to support the ever-growing population of the world.

Sincerely,
Operating Committee
CEO and Founder
Meetings International PTE LTD.

WE VALUE

To identify the future directions of research

Peer review and high quality publication

Quality research

Explore **Melbourne**

Melbourne is the capital and most crowded city of the Australian condition of Victoria, and the second-most crowded city in Australia. The name “Melbourne” alludes to an urban agglomeration spreading over which includes the more extensive metropolitan region, and also being the regular name for its downtown area. The town is positioned on the massive typical cove of Port Phillip and ventures into the hinterlands towards the Dandong and Macedon mountain ranges, Morning ton Peninsula and Yarra Valley. It has a populace of 4,529,500 starting at 2015, and its occupants are called Melbournians.
