Dear Attendees,

Meetings International proudly announces the **2nd Annual Congress on Midwifery and Womens Health** scheduled during **June 27-28, 2024** in **Paris, France**,The conference emphasizes the theme "**Caring the journey from the womb to the world**". The Advanced Womens Health 2024 gathering gives a mind-blowing opportunity to discuss the latest progressions inside the field. It will give an overall stage to look at about the present and future troubles in Womens Health guidance, continuing with preparing, medicinal strategy, center around points. With huge delight,Womens Health and Education alongside the Organizing Committee Members welcome every one of the members from all over the globe to attend the conference. It provides a great opportunity for establishing strong relations between the Womens Health organizations, the general public, and government so thatthey can work together to achieve healthier mouths and happier lives.

Womens Health 2024 focuses mainly on Womens health care, Gynecology, Obstetrics, Pediatrics, Midwife Services in Breast Feeding, Women's Reproductive Health. Womens Health committee is providing a platform for all the budding young researchers, young investigators, postgraduate/ Master students, PhD. students and trainees to showcase their research and innovation.

Sincerely,
Operating Committee

VENUE:

Paris, France

Paris, France is renowned as the “City of Light” and is famous for its rich history, iconic landmarks, and vibrant culture. Situated along the Seine River in the north-central part of the country, Paris is the capital and largest city of France. It serves as a global center for art, fashion, gastronomy, and culture.

The city is home to numerous landmarks that attract millions of tourists each year, including the Eiffel Tower, Notre-Dame Cathedral, Louvre Museum, and Champs-Élysées. Paris is also known for its beautiful parks and gardens, such as the Luxembourg Gardens and Tuileries Garden, offering serene escapes amidst the urban bustle.
