About Destination Canada

Destination Canada's approach focuses on markets where Canada's tourism brand leads and yields the highest return on investment. We use research to drive our evidence-based marketing in nine key geographic leisure source markets: Australia, Canada, China, France, Germany, Japan, Mexico, South Korea, United Kingdom and the United States. In addition, our Business Events team leverage in-depth global market analysis to target international clusters aligned with Canada's priority economic sectors.

The expanse of Canada's natural beauty, from mountains and glaciers to secluded lakes and forests, is almost unparalleled worldwide. But Canada's allure is not just the great outdoors. Canada has cosmopolitan cities that are clean, safe, friendly, and multicultural
