About Conference

We are glad to welcome you at our new destination in **Paris, France** on **November 27-28, 2024** for our up-coming Event on **10th International Conference on Pediatrics.**

Theme:

Guiding the future of young lives through advancements in Pediatric care

World Pediatric Congress 2024 typically incorporates lectures, paper, poster sessions, and panel discussions with prominent international experts and scholars. We also feature product exhibitions, workshops, and student research competitions that generate networking opportunities for all attendees.

We look forward to collaborating with you at our conference!
