EuroSciCon

8th Edition of International Conference and Exhibition on Surgery and Transplantation

JULY 01-02, 2019 VALENCIA, SPAIN

AGENDA

Abstract

EuroSciCon

TITLE: OUR EXPERIENCES IN 7 YEARS SEALING VEINS - A FOLLOW - UP STUDY CONDUCTED ON 2250 TRUNCAL SAPHENOUS VEINS IN 1250 CASES

Ulf Thorsten Zierau
SAPHENION® Berlin, Germany

Ulf Thorsten Zierau is Head of Vascular Surgery at the Charité. Approval and start of specialist training in surgery 1988. After specialist examination in surgery 1994 Continuation of training in the field of vascular surgery, first at the venous center Malente (Mühlenberg Clinic), then at the 2nd University Clinic Cologne. Vascular surgery examination in 1996, beginning of independent clinical work as senior physician and head of the Department of Vascular Surgery at the Gransee Hospital. During this time he turned to cathederal medicine, study in the USA (Stanford University) and in the Heart Center Berlin - Buch. Working in private practice since 1997

TITLE: AUGMENTATION MAMMAPLASTY: A 40 YEAR'S EXPERIENCE

Juan A. Mira
Clínica Doctor Mira, Plastic Surgeon, Valencia,Spain

Juan A. Mira is a Plastic Surgeon since 1975 from Valencia, Spain. With more than 200 international diplomas in Cosmetic Surgery, among them those of the Universities of New York, Los Angeles, Dallas and Lausanne, he published in 1981 his first work on "Mamaplastia aumentativa via transareoar inferior: 100 casos" (Revista Plástica Cirugía Iberolatinoamericana), in 2003 his revolutionary innovation in breast prostheses "Anatomic Asymmetric Prosthesis: shaping the breast" (Aesthetic Plastic Surgery) and in 2010 his "Anatomic Bilateral Contour Mammary Prosthesis: ABC" (20th Congress of the ISAPS Surgery in San Francisco).

TITLE: TELEMEDICINE AND TELEROBOTICS: FROM SCIENCE FICTION TO REALITY

Melissa G Medina
University of Illinois College of Medicine at Peoria, Peoria, IL, USA

Dr. Medina is obtained her medical degree at Loyola University Stritch School of Medicine and is in her fourth year of surgical residency at the University Of Illinois College Of Medicine at Peoria.

SPEAKER SLOTS AVAILABLE

Abstract

EuroSciCon

TITLE: REVIEW AND UPDATE: ROBOTIC TRANSANAL SURGERY (RTAS)

Steven S Tsoraides
University of Illinois College of Medicine at Peoria, Peoria, IL, USA

Dr. Tsoraides obtained his medical degree and MPH degree from the University of Illinois College of Medicine at Peoria (UICOMP). After completing his residency at UICOMP where he was also administrative chief, he went on to complete a fellowship in Colorectal Surgery at Southern Illinois University School of Medicine. He is currently an Associate Professor in clinical surgery, Residency Program Director

TITLE: EVOLUTION AND LITERATURE REVIEW OF ROBOTIC GENERAL SURGERY RESIDENT TRAINING: 2002-2018

David L. Crawford
University of Illinois College of Medicine at Peoria, USA

Dr. David Crawford, a native of Indiana, received his undergraduate degree from Hanover College in Hanover, Indiana. He received his doctorate in medicine from the University of Louisville School of Medicine, Louisville, Kentucky. He completed a Surgical Internship and General Surgery Residency at the Abington Memorial Hospital in Abington, Pennsylvania. Dr. Crawford completed a Minimal Invasive Surgery Fellowship at Cedars-Sinai Medical Center in Los Angeles, California. Dr. Crawford is board certified in General Surgery by the American Board of Surgery. He is Associate Professor of Clinical Surgery and Chief, Section of Minimally Invasive Surgery. Dr. Crawford is Co-Creator and Co-Director of the Basic Laparoscopic Skills Course, the Advanced Laparoscopic Skills Course and the Intro to Robotic Surgical Skills Course for the General Surgery Residency. He is the 2008 recipient of the UICOMP 'Outstanding Teaching Award' and the 2006 resident elected UICOMP Dept of Surgery 'Faculty Teaching Award'. 2001-present, he is on the Board of Directors, WD Boyce Council, Boy Scouts of America.

TITLE: THE MESENTERIC PANNICULITIS: AN UNDERSTOOD DISEASE

Buragina Giuseppe
University of Milan, Italy

Giuseppe Buragina graduated in medicine and surgery at Bologna University in july 2013 and he is currently fellow in diagnostic radiology at the University of Milan.

SPEAKER SLOTS AVAILABLE

Abstract

EuroSciCon

TITLE: THORACOSCOPIC VIDEO-ASSISTED SYMPATHICOTOMY FOR THE TREATMENT OF HYPERHIDROSIS: 20 YEARS' EXPERIENCE WITH MINIMALLY INVASIVE TECHNIQUE

Gianluigi Lago
University of Parma - Italy

Gianluigi Lago, MD, graduated from University of Padova (Italy). During medical school he developed interest in Plastic Surgery and before graduation he participated in several research projects, especially in the field of tissue bioengineering. After his graduation he moved to the USA, where he worked as research fellow at Brigham and Women's Hospital in Boston. Later he returned to his home country and started his residency program in Plastic and Reconstructive Surgery at the University Of Parma, Italy.

TITLE: 7 YEARS' EXPERIENCE IN MIGRAINE SURGERY WITH MINIMALLY INVASIVE AND ENDOSCOPIC TECHINIQUE

Edoardo Raposio
University of Parma , Italy

Prof. Edoardo Raposio, MD, PhD, graduated at the University of Genoa, is specialized in Plastic and Reconstructive Surgery and in Hand Surgery. He has obtained a PhD at the University of Tromso, Norway, and is currently the Director of the Chair and Residency Program in Plastic Surgery at the University of Parma, Italy. During his academic career, he gained international experience as visiting professor in several Plastic Surgery Departments, both in Europe and USA. His clinical activities are mainly focused on the surgical treatment of migraine headache and primary hyperhidrosis with minimally invasive techniques.

TITLE: SURGICAL MANAGEMENT AND OUTCOME OF COMPLEX BILE DUCT INJURY AFTER LAPAROSCOPIC CHOLECYSTECTOMY

Karzan Seerwan Abdulla
University of Sulaymaniyah, KRG, Iraq

Dr. Karzan Seerwan Abdullah finished his medical school in 2001 from university of Sulaimani medical college. He completed his doctoral degree and training in general surgery in different surgical centers in Iraq as a candidate of Iraqi council for medical specialization in 2008. He completed his fellowship training in hepatobiliary surgery and liver transplantation at Apollo transplant institute and CLBS in Delhi in 2012. Currently he is a teacher in Sualimani medical school and Kurdistan Board of GI surgery.His area of interest is management of bile duct injury and pancreatic cystic lesions and he has many publications in local and international journals.

Abstract

EuroSciCon

TITLE: FETAL HEART RATE EXTRACTION FROM ABDOMINAL ELECTROCARDIOGRAMS THROUGH MULTIVARIATE EMPIRICAL MODE DECOMPOSITION

Praveen Gupta
Government Polytechnic College, Jaipur, India

Praveen Gupta has expertise in biomedical signal processing, specifically abdominal ECG signal processing, intra cellular neuronal recordings and algorithms related to direct applications in medical field. In recent past, his research work using Wavelet Transforms (WT) and latest novel algorithms such as Multivariate Empirical Mode Decomposition (MEMD) received great attention in medical and research fraternity. He has wide experience in teaching, evaluation, research and administration in educational institutions. He has also worked as Technical Advisor in Government of Rajasthan. He earned his Ph.D., Masters and Bachelor's. Degrees from prestigious National Institutes of Technologies (NITs). He has a professional membership of IEEE.

TITLE: COLONIC PREPARATION- IS IT ACTUALLY NEEDED

Deepak Ghuliani
Maulana Azad Medical College, India

Dr Deepak Ghuliani, presently working as Professor of Surgery at Maulana Azad Medical College, New Delhi has a special interest in Gastrointestinal and Endocrine surgery. Working as a General Surgeon , he has a vast experience in all types of gastrointestinal and hepatobiliary cases especially the GI Oncology. Besides clinical practice he has a passion for teaching and all types of academic activities. He has several publications in National and International journals. Recently he has become the Fellow ofAmerican College of Surgeons. Working as Professor of Surgery not only is he conducting research and teaching undergraduate and postgraduate medical students but also actively involved in conferences, CME's, skills workshops, updates in the role of speaker, chairperson , judge, trainer and also a quiz master.

TITLE: MINIMALLY INVASIVE REPAIR OF DEEP STERNAL WOUND INFECTION ACCOMPANIED BY STERNAL OSTEOMYELITIS AND SINUS TRACT AFTER THORACOTOMY WITH PLATELET-RICH PLASMA

Daifeng Hao
Wound Repair Center, the Fourth Medical Center of PLA General Hospital, Beijing, China

Daifeng Hao is serving at an esteemed position in Wound Repair Center, the Fourth Medical Center of PLA General Hospital, Beijing, China. She is the recipient of numerous awards for her expert research works in related fields. Her research interests reflect in her wide range of publications in various national and international journals
