ABSTRACT

This Paper deals with "Women Empowerment" a burning issue all over the world. "Women
refers to the creation of an environment for women where they can make decisions of their own
for their personal benefits as well as for the society.
Women Empowerment refers to increasing and improving the social, economic, political and legal strength of the women, to ensure equal-right to women, and to make them
confident enough to claim their rights, such as: freely live their life with a sense of self-worth,
respect and dignity, have complete control of their life, both within and outside of their home and
workplace, to make their own choices and decisions, have equal rights to participate in social,
religious and public activities, have equal social status in the society, have equal rights for social
and economic justice, determine financial and economic choices, get equal opportunity for
education, get equal employment opportunity without any gender bias, get safe and comfortable
working environment Women have the rights to get their voices heard. Women population
constitutes around 50% of the world population. A large number of women around the world are
unemployed. The world economy suffers a lot because of the unequal opportunity for women at
workplaces. Women are equally competent. Nowadays, women are even ahead of men in many
socio-economic activities. Women Empowerment leads to decrease in domestic violence.
Uneducated women are at higher risk for domestic violence than an educated woman
