Invitation

Dear Attendees,

Meetings International proudly announces the **Conference Global Summit on Renewable Energy and Resources** scheduled during September 16-17, 2021 in Las Vegas **USA**

The conference emphasizes the theme "RENEWABLE ENERGY FOR A SUSTAINABLE FUTURE"

The Renewable Energy 2021 gathering gives a mind-blowing opportunity to discuss the latest progressions inside the field. This conference brings together the innovations in Renewable Energy and brings the key opinion leaders and thought leaders in the field from around the world for two intensive days of scientific presentations, networking as well as engagement with companies developing innovations in tools and technologies in this space. The purpose of Renewable Energy 2021 is to provide an international technical forum to showcase recent advances in Solar, Wind, Bioenergy Hydro and Geothermal & Electrical. Renewable Energy conference operation committee is providing a platform for all the budding young researchers, young investigators to showcase their research and innovation.

Sincerely,

Operating Committee
Renewable Energy 2021

Conference Highlights

Sources of Energy

Renewable Energy

Solar Energy

Wind Energy

Wave Energy

Geothermal Energy

Biofuel Energy

Hydro Power

Renewable energy climate change

Ocean and Marine Energy

Hybrid Renewable Energy Sources

Power and Energy Engineering

Energy storage and conservation

Environment Engineering

Waste to Energy

Smart Grid

Energy Efficiency

- To identify the future directions of research
- Peer review and high quality publication
- Quality research

Osaka Attractions

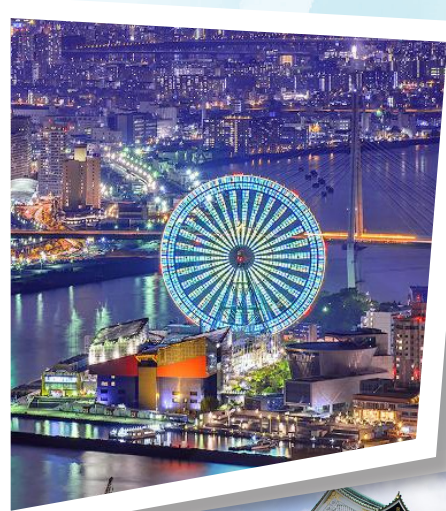

Explore Las Vegas

This city in the desert is known around the world for fun and excitement.

The Strip, Las Vegas' famous resort-lined street, sparkles with lights and recreated glamorous sites from cities around the world.

Many of the hotels are attractions in and of themselves and feature free streetside shows, from dancing fountains to erupting volcanoes. You'll also find interesting museums, an always impressive list of shows, and countless other things to do.

Las Vegas is a great place to visit year-round. The cooler winter temperatures are pleasant for sightseeing, and in summer, when the temperature can rise above 104 degrees Fahrenheit the hotel pools become an important part of the daytime activities.
