Young Research Forum:

Meetings International is announcing the Young Scientist Awards through the **5th International Conference on Addiction Research & Psychiatry** scheduled **as Webinar on September 20, 2024**, This Addiction Psychiatry 2024 focuses on the theme of Trailblazing the path to Recovery: Addiction Psychiatry Conference. The psychiatry meeting and upcoming conferences will recognise participants who have significantly added value to the scientific community of medical science and provide them with outstanding Young Scientist Awards. The Young Scientist Award will provide a strong professional development opportunity for young researchers by meeting experts to exchange and share their experiences at our international conferences. The conference operating committee is providing a platform for all budding young researchers, young investigators, post-graduate/Master's students, Ph.D. students, and trainees to showcase their research and innovation.

Eligibility: Young scientists, faculty members, post-doctoral fellows, Ph.D. scholars, and final-year MSc and M.Phil. Candidates and persons from the scientific industry can also participate.

Bene its:

The Young Scientist Feature is a platform to promote young researchers in their respective areas by giving them a chance to present their achievements and future perspectives.
