

2nd International Conference on

Artificial Intelligence & Robotics

December 04, 2024 | Webinar

Theme: Generative Futures: AI and Robotics Creating the Unimaginable

<https://www.meetingsint.com/webinars/ai-robotics>

VISIT US

Dear Attendees,

Robotics is the interdisciplinary study and practice of the design, construction, operation, and use of robots. With this professional insight, we bring the **2nd International Conference on Artificial Intelligence & Robotics** scheduled for **December 04, 2024** as **Webinar**.

We eagerly anticipate bringing together the worldwide audience and attendees once again to pave the way for AI&Robotics 2024 webinar focussing on the theme "Generative Futures: AI and Robotics Creating the Unimaginable"

Hope you all join and make the years most exciting event successful.

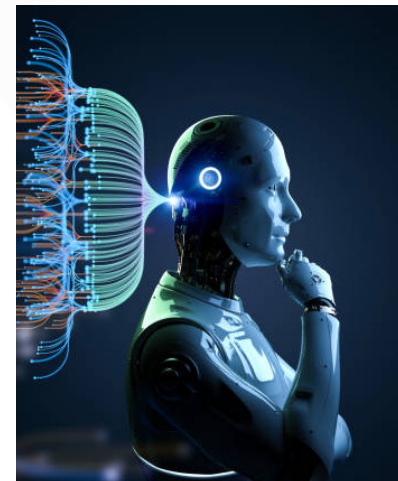

We accept abstracts for oral presentation, therefore request you all to submit the abstracts at the earliest before the early bird ends..

Sincerely,
Operating Committee
AI&Robotics

Scientific Sessions:

- Generative AI: Transforming Creativity and Design
- Advancements in Autonomous Systems
- AI and Robotics in Healthcare Innovation
- Ethical Implications of AI and Robotics
- Machine Learning for Robotics Control
- Human-Robot Interaction and Collaboration
- AI-Driven Robotics in Manufacturing
- Generative Adversarial Networks (GANs) in Robotics
- Robotic Systems for Environmental Monitoring
- AI and Robotics for Smart Cities
- Neuro-Inspired Robotics and AI
- AI-Powered Predictive Maintenance for Robotics

Young Research Forum:

Meetings International is announcing the Young Scientist Awards through the **5th International Conference on Psychiatrists and Psychologists** scheduled in **Paris, France**, on **September 20-21, 2024**. This AI & Robotics 2024 focuses on the theme of Trailblazing the path to Recovery: Addiction Psychiatry Conference. The psychiatry meeting and upcoming conferences will recognise participants who have significantly added value to the scientific community of medical science and provide them with outstanding Young Scientist Awards. The Young Scientist Award will provide a strong professional development opportunity for young researchers by meeting experts to exchange and share their experiences at our international conferences. The conference operating committee is providing a platform for all budding young researchers, young investigators, post-graduate/Master's students, Ph.D. students, and trainees to showcase their research and innovation.

Eligibility: Young scientists, faculty members, post-doctoral fellows, Ph.D. scholars, and final-year MSc and M.Phil. Candidates and persons from the scientific industry can also participate.

Benefits:

The Young Scientist Feature is a platform to promote young researchers in their respective areas by giving them a chance to present their achievements and future perspectives.

DAY 01/ December 04, 2024

Time	Session
09:00 - 10:00	Keynote Forum
10:00 - 10:15	Coffee/Tea Break
10:15 - 13:00	Sessions
13:00 - 13:30	Lunch Break
13:30 - 15:30	Sessions
15:30 - 15:45	Coffee/Tea Break
15:45 - 17:30	Sessions
