2nd International Conference on

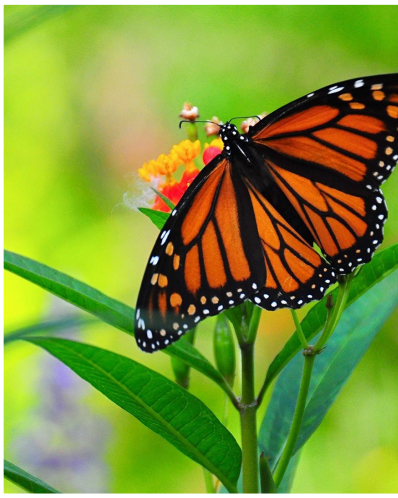

Biodiversity and Ecology Restoration

February 17-18, 2020

Phuket, Thailand

Invitation

Meetings International proudly announces the **2nd International Conference on Biodiversity and Ecological Restoration** is going to be held on **February17-18, 2020** at **Phuket, Thailand**. This biodiversity conference will provide a robust and dynamic platform and also aims to promote the restoration of a spectrum of "saving and restoration of species". This conference invites the global community of environmental professionals that includes researchers, ecologists, students, environmentalists, coversationists, botanists, zoologists, entomologists, and oceanographers who are actively engaged in this field. So we invite you to join this global environmental event, in the beautiful city of Phuket, to discuss the economic prosperity and environmental sustainability.

Sincerely,
Operating Committee
Biodiversity 2020

Quality research

To identify the future directions of research

Peer review and high quality publication

Explore Phuket

Phuket, a rainforested, mountainous island in the Andaman Sea, has some of Thailand's most popular beaches, mainly situated along the clear waters of the western shore. The island is home to many high-end seaside resorts, spas and restaurants. Phuket City, the capital, has old shophouses and busy markets. Patong, the main resort town, has many nightclubs, bars and discos.
