Explore Netherlands

The Netherlands is a densely populated country. Many tourists only come to the Netherlands to visit Amsterdam. But Holland has plenty to offer outside its capital. Crisscrossed with canals, the flat landscape is perfect for cycling with historic town centers, classic windmills and other tourist spots sprinkled across the country. In the west and north the long coastline is marked by mile upon mile of protective dunes and sandy beaches. During springtime the flower gardens become great tourist attractions in the Netherlands providing a bold spectacle of vivid colors. The famous attractive places in the Netherlands are Rijksmuseum, Hoge Veluwe, Keukenhof Gardens, Delft City Hall, West Frisian Islands and many more.
