

2nd International Conference on

Biomedical Engineering & Bioinformatics

June 12-13, 2025 | London, UK

INVITATION

ABOUT CONFERENCE

After the successful completion of the International Conference on Biomedical Engineering, we are pleased to announce our upcoming **“2nd International Conference on Biomedical Engineering & Bioinformatics”** on **June 12-13, 2025**, in **London, UK**. The conference will focus on the theme **“Innovating for Future Healthcare Solutions through Biomedical Engineering & Bioinformatics.”** This event invites oral sessions on advanced biomedical technologies, innovative bioinformatics methods, and cutting-edge approaches to healthcare solutions. The conference will explore the latest research in medical device development, bioinformatics algorithms, and computational biology, with a focus on breakthroughs in personalized medicine, data-driven healthcare, and diagnostic innovations. The event emphasizes applying emerging technologies and strategies in biomedical engineering and bioinformatics to address global healthcare challenges and improve patient outcomes.

YOUNG RESEARCH FORUM

We are thrilled to announce the **Young Scientist Awards** at the **2nd International Conference on Biomedical Engineering & Bioinformatics**, scheduled for June 12-13, 2025, in London, UK. This year's conference will focus on **“Innovating for Future Healthcare Solutions through Biomedical Engineering & Bioinformatics.”** Biomedical Engineering & Bioinformatics 2025 and future conferences will recognize participants who have made significant contributions to these fields with the distinguished Young Scientist Awards. These awards will provide a valuable professional development opportunity for young researchers, offering them a platform to engage with leading experts and share their insights at our international conference.

CONFERENCE HIGHLIGHTS

- Keynote Speeches
- Panel Discussions
- Technical Sessions
- Workshops and Tutorials
- Innovation
- Showcase
- Case Studies and Success Stories
- Networking Opportunities
- Young Scientist Awards
- Sustainability Practices
- Global Perspectives

TARGET AUDIENCE

- Biomedical Engineers and Bioinformaticians
- Healthcare Technology Innovators
- Academic Researchers and Scholars
- Medical Practitioners and Clinical Researchers
- Data Scientists and AI Experts in Healthcare
- Pharmaceutical and Biotech Industry Professionals
- Policy Makers and Healthcare Regulators
- Students and Early-Career Researchers
- Investors and Venture Capitalists

SESSION HIGHLIGHTS

- Keynote Presentations by Industry Leaders and Pioneers
- Advances in Biomedical Imaging and Diagnostic Tools
- Bioinformatics in Genomics and Personalized Medicine
- AI and Machine Learning in Biomedical Engineering
- Wearable Health Technologies and Remote Monitoring
- Biomaterials and Tissue Engineering for Regenerative Medicine
- Data Security and Ethical Considerations in Biomedical Data
- Young Scientist Awards Presentations
- Workshops and Hands-on Sessions
- Networking Opportunities and Collaborative Sessions

Past Event Report

Meetings International Conference successfully hosted its second series on the 1st International Conference on Biomedical Engineering & Bioinformatics and it was a great success. Eminent keynote speakers from leading institutions and industry leaders addressed the gathering, sharing their insights and advancements in biomedical engineering and bioinformatics. The enthusiastic response and active participation of the organizing committee members were instrumental in the success of the conference. We also take this opportunity to extend our sincere gratitude to all the speakers, delegates, and participants for their invaluable support and engagement throughout the conference.

About Venue:

London, a vibrant and historic city, blends modern architecture with a rich cultural heritage, featuring iconic landmarks alongside centuries-old buildings and royal palaces. As a global financial and cultural hub, London is renowned for its impressive skyline, bustling streets, and diverse culinary scene. Oxford Street is a shopping heaven, while areas like Westminster and the South Bank offer famous landmarks like Big Ben, the Houses of Parliament, and the London Eye. By night, the city transforms into a lively display of lights and colors, with the Thames River and illuminated landmarks providing a captivating backdrop for visitors. Known for its high standard of living and cultural diversity, London is a city where history and modernity converge. Once the heart of the British Empire, London continues to be one of the world’s most influential cities.

Registration Fees

REGISTRATION TYPES	EARLY BIRD	MID TERM	FINAL CALL
ACADEMIC SPEAKER	\$595	\$610	\$795
BUSINESS SPEAKER	\$645	\$734	\$810
POSTER REGISTRATION	\$499	\$545	\$599
DELEGATE REGISTRATION	\$642	\$745	\$854
STUDENT REGISTRATION	\$435	\$499	\$534
WEBINAR / VIRTUAL CONFERENCE REGISTRATION	\$299	\$399	\$499
E-POSTER	\$210	\$310	\$510
ACCOMPANYING PERSON	\$249	\$349	\$449
