VISIT US

Dear Attendees,

Meetings International is glad to announce its upcoming **“International conference on Biomedical Engineering & Bioinformatics”** scheduled on **April 25-26, 2024** in **London, UK**. The conference is organized with the theme: **“Biomedical Engineering & Bioinformatics: Decoding Life’s Complexity”**.

Explore the latest advancements in Biomedical,Bioinformatics & medical interventions. We take great pleasure in inviting Scientists, Physicians, Biotechnologists, Engineers and Professionals worldwide for our upcoming to witness and participate in highly professional scientific discussions and sessions.

ENT 2024 will have invited Talks/Keynote Talks, Scientific Sessions, Workshops, Poster Presentations, Exhibitions, B2B meetings, Networking Sessions, etc. As part of encouraging young researchers, we have a special session, Young Research Fellow. In this session, all the students pursuing a doctoral degree are eligible to participate and the best paper presenter will be awarded Young Research Fellow (YRF) Award.

Hope you all join and make the year’s most exciting evBiomedical Engineering & Bioinformatics successful.

We accept abstracts for oral presBiomedical Engineering & Bioinformaticsations; therefore request you all submit the abstracts at the earliest before the early bird dates.

Sincerely,
Operating Committee
Biomedical Engineering 2024

Meetings International
WITH US

Biomedical Engineering 2024

Scientific Sessions:

- Gene Therapy
- Artificial Intelligence (AI) and Machine Learning in Healthcare
- Biomedical Wearables and Sensors
- Bioinformatics-Driven Drug Design
- Telehealth and Remote Patient Monitoring
- Nanomedicine and Nanotechnology
- Biomechanical Engineering for Geriatrics
- Metabolomics and Precision Medicine
- Functional Genomics and CRISPR-Cas9
- Big Data Integration in Healthcare
- Microbiome Informatics

To identify the future directions of research

Peer review and high quality publication

Biomedical Engineering 2024

Young Research Forum:

Meetings International is announcing the Young SciBiomedical Engineering & Bioinformaticsist Awards through the **International conference on Biomedical Engineering & Bioinformatics** which is scheduled in **London, UK** during **April 25-26, 2024**.Theme: Biomedical Engineering & Bioinformatics: Decoding Life's Complexity

Biomedical Engineering 2024 will recognize participants who have significantly added value to the scientific community of Biomedical Engineering and provide them with outstanding Young Scientist Awards. The Young Scientist Award will provide a strong professional development opportunity for young researchers by meeting experts to exchange and share their experiences at our international conferences.

Benefits:

The Young Scientist Feature is a platform to promote young researchers in their respective areas by giving them a chance to present their achievements and future perspectives. Acknowledgment as YRF Awardee Promotion on the conference website, Young Researcher Awards, and certificates Link on the conference website Recognition on Meetings Int. Award Page Chances to coordinate with partners around the world Research work can be published in the relevant journal without any publication fee

DAY 01/ April 25, 2024

Time	Session
09:00 - 10:00	Keynote Forum
10:00 - 10:15	Coffee/Tea Break
10:15 - 13:00	Sessions
13:00 - 13:30	Lunch Break
13:30 - 15:30	Sessions
15:30 - 15:45	Coffee/Tea Break
15:45 - 17:30	Sessions

DAY 02/ April 26, 2024

Time	Session
09:00 - 10:00	Keynote Forum
10:00 - 10:15	Coffee/Tea Break
10:15 - 13:00	Sessions
13:00 - 13:30	Lunch Break
13:30 - 15:30	Sessions
15:30 - 15:45	Coffee/Tea Break
15:45 - 17:30	Sessions

VENUE:

London, UK

London, the capital of England and the United Kingdom, is a 21st-century city with history stretching back to Roman times. At its centre stand the imposing Houses of Parliament, the iconic 'Big Ben' clock tower and Westminster Abbey, site of British monarch coronations. Across the Thames River, the London Eye observation wheel provides panoramic views of the South Bank cultural complex, and the entire city.
