

8th International Conference on

Biosensors & Bioelectronics

August 07-08, 2023 | Toronto, Canada

Invitation

Dear Attendees,

Meetings International presents **8th International Conference on Biosensors and Bioelectronics** which will be held during **August 07-08, 2023 | Toronto, Canada**. The conference will bring together leading scientists, early-career researchers to share their perspectives and gather specialists from these interdisciplinary fields to discuss necessary measures needed to develop a new generation of powerful tools for synergistic development in the field of sensors. Through a progression of encouraging plenary talks, inspiring keynote lectures, workshops, industry-sponsored symposia and exhibitions, the conference provides new information about the use of latest technologies and building new links between disciplines enables discussion and new collaborations. We assure our attendees return to their place with the selfbelief to improve their abilities and outfitted with certified approaches to work with us.

Sincerely,
Operating Committee
Biosensors 2023

Conference Highlights

- Biosensors, Bio-sensing Technologies
- Bioelectronics
- Bio-MEMS/NEMS
- Nanotechnology in Biosensors
- Microfluidics- Technology & Healthcare
- Bioinstrumentation
- Optical Biosensors
- Biosensors for Environmental Monitoring
- Biosensors in Drug Discovery
- Biomedical Engineering

Toronto Attractions

Explore Toronto, Canada

Toronto, the capital of the province of Ontario, is a major Canadian city along Lake Ontario's north-western shore. It's a dynamic metropolis with a core of soaring skyscrapers, all dwarfed by the iconic, free-standing CN Tower. Toronto also has many green spaces, from the orderly oval of Queen's Park to the 400-acre High Park and its trails, sports facilities, and zoo. Toronto is Canada's largest city and a world leader in such areas as business, finance, technology, entertainment, and culture. Its large population of immigrants from all over the globe has also made Toronto one of the most multicultural cities in the world.

Toronto is known for its multiculturalism, sports, and unique landmarks, such as the CN Tower. This bustling city features various cuisines, architectural mixtures, and a long history. Toronto is also home to one of the world's largest film festivals, the Toronto International Film Festival.
