Explore Paris

Paris (nicknamed the " City of light") is the capital megacity of France, and the largest megacity in France. The area is 105 square kilometres (41 square long hauls), and around 2.15 million people live there. However, the population of the Paris area rises to 10, If cities are counted. 7 million people. It's the most densely peopled megacity in the European Union, with 20.653 people per forecourt kilometre.

The Seine River runs through the oldest part of Paris, and divides it into two corridor, known as the Left Bank and the Right Bank. It's girdled by numerous timbers. Paris is also the centre of French frugality, politics, business and culture. Paris has numerous art galleries and literal structures. As a business centre, Paris has a veritably good underground shelter system(called the Metro). It also has two airfields. The Metro was erected in 1900, and its total length is further than 200 km.
