Switzerland Attraction

Explore Switzerland

Switzerland is a mountainous Central European country, home to numerous lakes, villages and the high peaks of the Alps. Its cities contain medieval quarters, with landmarks like capital Bern's Zytglogge clock tower and Lucerne's wooden chapel bridge. The country is also known for its ski resorts and hiking trails. Banking and finance are key industries, and Swiss watches and chocolate are world renowned.

The Swiss Alps cover 70% of its land area and together with the lakes and rivers are the main tourists places. ... The main economic engine of the Alps is, without doubt, the practice of skiing in Switzerland. There are numerous ski slopes that are considered the best in the world for its facilities and its natural beauty.
