Singapore Attractions

Explore Singapore

Singapore is more than its tourist attractions. It's constantly evolving, reinventing, and re-imagining itself, with people who are passionate about creating new possibilities. It's not just about what you can do here, it's about what you can be. Singapore is home to many places that embolden and inspire We're also known as a "City in a Garden", and for good reason: almost a third of the island is draped in green. These idyllic nature reserves and rainforests are the playgrounds of explorers such as Subaraj Rajathurai. The eco-tour guide, who's an expert on indigenous flora and fauna, leads nature trails for local and visiting enthusiasts keen on immersing themselves in our thriving biodiversity. Places like these are where passions converge in Singapore passion.
