Berlin attractions

Berlin Singapore

Berlin is the capital and also the largest town of FRG. Berlin is located in northeastern Germany on the banks of the rivers Spree and Havel. Berlin's economy is principally supported by the service sector. Berlin's location is influenced by a temperate seasonal climate due to its location in the European plain. Berlin is the seventh most populous urban area in the European Union and second

most populous city in the European Union. Berlin's growing appeal

as an international study destination is also due in part to a greater provision of courses in English. Berlin is a major center for culture, politics, media, and science. Between the river Spree and the Kupfergraben in a 400-meter-long canal, Spree Island is better known as Museum Island (Museuminsel), a UNESCO World Heritage Site. Here, you'll find many of the city's oldest and most important museums, including the Old Museum (Altes Museum).
