9TH WORLD DENTAL CONGRESS

FEBRUARY 17-18, 2020 | DUBAI, UAE

Dental Health 2020

Invitation

Dear Attendees,

Meetings International proudly announces the 9th World Dental Congress scheduled during February 17-18, 2020 in Dubai, UAE. The conference emphasizes the theme "Explore the latest trends in Dental Health Technology".

This conference aims at connecting experts like acupuncture practitioners, oriental medicine faculty, researchers, students and business professionals who are involved in preservation, advancement and integration of acupuncture into the modern healthcare to enhance public health. Acupuncture, being one of the most widely used alternative medicines is taking ground worldwide by helping in getting relief from various acute and chronic diseases. This conference provides the best platform to the scientific community and industry to share their experiences and researches, wherein they can add to the society and get to know about the latest techniques of acupuncture which can help in their personal growth as well.

Sincerely,

Explore Dubai

Dubai is a city that is not afraid of ambition. Pumping billions into positioning itself as a tourist mecca and business hub, the place is an attention seeking over-achiever of sorts and undoubtedly becoming one of the most unique cities in the world. For those with an untreatable case of wanderlust, this city is a traveller's dream. Dubai has historic sights, futuristic architecture, and active night life and out-of-this-world attractions. Before the skyscrapers and luxurious automobiles, Dubai was only sand and when visiting Dubai it becomes a must thing to go on a desert safari and eat a traditional Arabic barbecue, go dune bashing, watch belly dancing and ride camels. Approximately 85% of Dubai's population are expats creating a cultural diversity to a whole new level and allowing visitors to travel the entire world from one place. Dubai is known worldwide for its architecture. Dubai skyline is full of unique skyscrapers designed by some of the best architects in the world.
