Madrid, Spain

Madrid, Spain's central capital, is a city of elegant boulevards and expansive, manicured parks such as the Buen Retiro. It's renowned for its rich repositories of European art, including the Prado Museum's works by Goya, Velázquez and other Spanish masters. The heart of old Hapsburg Madrid is the portico-lined Plaza Mayor, and nearby is the baroque Royal Palace and Armory, displaying historic weaponry.

Madrid is most famous for the Prado Museum. The museum is a must-visit for anyone who enjoys art. But it's also famous for its exquisite food, world-renowned football club, gorgeous parks, royal palace, and historical squares.
