Invitation

Dear Attendees,

Meetings International proudly announces the 3rd Annual Congress on Emergency Medicine scheduled during March 18-19, 2020 in Berlin, Germany. The conference emphasizes the theme "Focusing and targeting on the Emergency Medicine for the future implementation".

This conference will give a major knowledge about the emergency medicine to all the emergency physicians, therapist, researcher and scientist worldwide. Historically as we saw there was no scope for emergency medicine but now in this decade due to implementation of advanced technologies in health industries there should be a long discussion on this topic. Emergency Medicine Conference also focuses on the various types of emergency care, their diagnosis treatment and medicines that are used along with the route of administration. Emergency Medicine 2020 heartily welcome to all the professors, scientists, medical practitioners, medical associations, junior/ senior researcher fellows, students, pharmaceutical companies related to emergency medicine.

Sincerely,

Operating Committee

Explore Berlin

Berlin is the capital and the leading city of Germany, as well as one of its 16 constituent states. Berlin is the nation's capital and busiest city. It is mythological for its exceptional variability of attractions, its prosperous cultural scene and a way of life that's both fast-paced and relaxed. Berlin is a world city of ethos, politics, broadcasting and science. Its frugality is based on advanced firms and the provision sector, incorporating a diverse range of creative industries, research facilities, media corporations and convention venues.
