VISIT US

Dear Attendees,

Meetings International is glad to announce its upcoming “**4th International Conference on ENT**” scheduled on **February 15-16, 2024** in **Rome, Italy**. The conference is organized with the theme: “**Advances in Diagnosis and Treatment**”.

Explore the latest advancements in ENT diagnostic techniques surgical procedures, and medical interventions. We take great pleasure in inviting Scientists, Physicians, Otolologists, Rhinologists, Audiologists, ENT Doctors, laryngologists, Surgeons, and associated Otorhinolaryngology Professionals worldwide for our upcoming to witness and participate in highly professional scientific discussions and sessions.

ENT 2024 will have invited Talks/Keynote Talks, Scientific Sessions, Workshops, Poster Presentations, Exhibitions, B2B meetings, Networking Sessions, etc. As part of encouraging young researchers, we have a special session, Young Research Fellow. In this session, all the students pursuing a doctoral degree are eligible to participate and the best paper presenter will be awarded Young Research Fellow (YRF) Award.

Hope you all join and make the year's most exciting event successful.

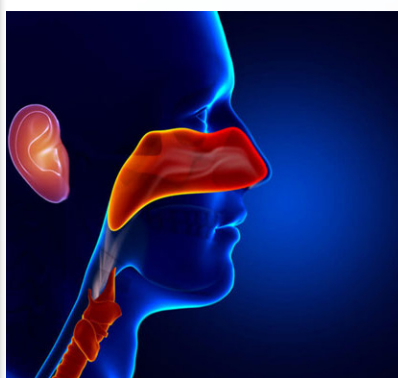

We accept abstracts for oral presentations; therefore request you all submit the abstracts at the earliest before the early bird dates.

Sincerely,
Operating Committee
Ent 2024

To identify the future directions of research

Peer review and high quality publication

Young Research Forum:

Meetings International is announcing the Young Scientist Awards through the **4th International Conference on ENT** which is scheduled in **Rome, Italy** during **February 15-16, 2024**. This ENT conference focuses on Advances in Diagnosis and Treatment.

ENT 2024 will recognize participants who have significantly added value to the scientific community of Otolaryngology and provide them with outstanding Young Scientist Awards. The Young Scientist Award will provide a strong professional development opportunity for young researchers by meeting experts to exchange and share their experiences at our international conferences.

Benefits:

The Young Scientist Feature is a platform to promote young researchers in their respective areas by giving them a chance to present their achievements and future perspectives.

VENUE:

Rome, Italy

Rome, the eternal city, seamlessly intertwines its rich history with modern vibrancy. Among its cultural tapestry, the anticipated “ENT Conference” in 2024 stands out. Rome’s historical marvels, from the iconic Colosseum to the Roman Forum, transport visitors to a glorious past. The artistic legacy flourishes in the Vatican City’s St. Peter’s Basilica and Sistine Chapel. Culinary delights, from pasta to gelato, embody Italian passion. Modernity flourishes alongside ancient charm, exemplified by Piazza Navona and the Spanish Steps. The upcoming ENT Conference benefits from Rome’s academic and cultural wealth, offering professionals in the Ear, Nose, and Throat field a platform for collaboration amid the city’s dynamic ambiance. This merging of past and present encapsulates Rome’s allure—a captivating journey through time and culture.
