Dubai Attractions

Explore Dubai, UAE

Dubai is a city and emirate in the United Arab Emirates known for luxury shopping, ultramodern architecture, and a lively nightlife scene. Burj Khalifa, an 830m-tall tower, dominates the skyscraper-filled skyline. At its foot lies Dubai Fountain, with jets and lights choreographed to music. On artificial islands just offshore is Atlantis, The Palm, a resort with water and marine-animal parks. The area was covered with sand about 5,000 years ago as the coast retreated inland, becoming part of the city's present coastline. Pre-Islamic ceramics have been found from the 3rd and 4th centuries. Prior to the introduction of Islam to the area, the people in this region worshiped Bajir (or Bajar).
